Unleash the Poem Within Wendy Nyemaster,2008-04-01 Unleash the Poem Within is about friendship, self-reflection and learning something new. It is, quite simply, about how the power of creativity can change your life. This book shows women how to liberate their creative spirit and use it not only as a means of self-expression, but as a way to find more calm, peace and an enhanced ability to see the value in each present moment. Wendy Nyemaster is the founder of the Poetry Posse, a group of ordinary women committed to writing and sharing their creativity as a way to enhance their lives. She guides the reader through twelve different poems and how to write them, and how doing so can unlock their inner power. Unleash the Poem Within shows women that by experimenting with creativity, they can find their voice and live their lives to the fullest.

From flower to Rose Tiffany "TruthfullySpeaking" Reese,2019-01-27 ...She also observed and encountered things in life that fueled her love for poetry. Poetry became her outlet...the way she chose to express herself.

The Life of Rebecca Gordon Gray through Poetry Wanda P. Brown,2024-03-11 Hands of a well-lived life, proofing another godly inspired poem. Rebecca Gordon Gray was born in Lawrenceburg, Kentucky to Ben and Susie Johnson. She was the youngest of twelve children. She married John Paul Gray, I, and had one son John Paul Gray, II. She lived her entire life in Lawrenceburg and loved every minute of it. Her husband passed in 1981 and she never remarried. Rebecca was asked by many to write poetry for their events, and she did so willingly and happily. She was loved by her friends, family, and community. A real cutup. She loved to joke and laugh about the simple things. Writing poetry made her life adventurous. She passed in September 2016. After seeing all the poems, she had written, I felt her life should be remembered and lived on in a book for all to enjoy. One of her poems was printed in the National Library of Poetry and was awarded the Editor's Choice Award.

God's Question Lynne Junkins Cole, *God's Question: What Do You Think God Sees When He Looks At You?* Vitally important, possibly the most important question any of us will ever ponder. Why is God asking this question? What is He

saying to His believers? Book includes over 1200 answers from around the world. Examples: Thank you for the question, you have challenged [me]. God isn't looking at who and what I am, He sees what and who I can and will be. He's not judging the outward appearance that man sees, God is judging my heart. He sees forgiveness of sins through the blood of Jesus. Chapter subjects: Answers; Fear and how to conquer it; Unforgiveness; God's Covenant; Impacting people now and in the future. John 14:12, 20 NIV 12 Verily, verily, I say unto you, he that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto the Father 20 In that day ye shall know that I am in my Father, and ye in me, and I in you. When God asked Lynne Junkins Cole to write this book she accepted the assignment with surprise, feeling inadequate and honor. God let her know emphatically He chose her to write this book.

The Poems of T. S. Eliot Volume I T. S. Eliot, 2015-11-17 Here, for the first time, is a fully scrutinized text of Eliot's poems, carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted. The edition also presents many poems from Eliot's youth which were published only decades later, as well as others that saw only private circulation in his lifetime, of which dozens are collected for the first time. The first volume respects Eliot's decisions by opening with his Collected Poems 1909-1962 in the form in which he issued it, shortly before his death fifty years ago. There follow in this first volume the uncollected poems from his youth that he had chosen to publish, along with such other poems as could be considered suitable for publication. The Poems of T. S. Eliot is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure, as well as all those who read with pleasure and for study. Here are a new accuracy and an unparalleled insight into the marvels and landmarks from The Love Song of J. Alfred Prufrock and The Waste Land through to Four Quartets.

Bible Rhymes: Fifty Two Poems with Commentary James Gregory, 2015-02-22 If you have trouble reading the Bible from beginning to end, this book is your solution. Each of the 52 poems in this collection describes a Bible event, person, or message. Each poem is simple, easy to read, and provides focus on a biblical topic. The rhythm of a poem increases both interest and long-term retention of message. Thought-provoking and in-depth message content enhance the value of each poem. Furthermore, many of the poems provide encouragement for living life with a purpose and to the fullest. With 52 poems, this book can be used as a yearly devotional or Bible study with one poem or message per week. Topics include creation, salvation, treasures in heaven, and many more. Because poems and topics range across both the Old and New Testaments, this book provides a brief overview of the Bible. The Bible verses on which each poem is based are provided along with commentary about the Bible information.

On the Same Page Janet Allen, 2024-11-01 Maya Angelou says, Words mean more than what is set down on paper. It

takes the human voice to infuse them with the shades of deeper meaning. On the Same Page celebrates the use of our voices in shared reading with students to help them gain deeper understanding of the texts we read. If you have enjoyed the increased engagement and motivation that accompany reading with your students and wondered how to extend those benefits throughout the day, this book offers support for using this approach as a foundation for learning across content areas. On the Same Page explores the use of shared reading as an instructional approach for readers and writers at all levels of language proficiency. Janet Allen provides research, resources, practical ideas, and strategies for building from shared reading to increase students' literate experiences in a variety of curricular and instructional areas: strategic reading and comprehension; building background knowledge for content literacy; personal, academic, and public writing; transitions to independent reading; community knowledge and literature circles; increased vocabulary; modeled fluency. The Poetry of Ernest Jones Myth, Song, and the 'Mighty Mind' Simon Rennie,2016-05-20 As the last leader of the Chartist movement, Ernest Charles Jones (1819-69) is a significant historical figure, but he is just as well-known for his political verse. His prison-composed epic *The New World* lays claim to being the first poetic exploration of Marxist historical materialism, and his caustic short lyric 'The Song of the Low' appears in most modern anthologies of Victorian poetry. Despite the prominence of Jones's verse in Labour history circles, and several major inclusions in critical discussions of working-class Victorian literature, this volume represents the first full-length study of his poetry. Through close analysis and careful contextualization, this work traces Jones's poetic development from his early German and British Romantic influences through his radicalization, imprisonment, and years of leadership. The poetry of this complex and controversial figure is here fully mapped for the first time.
