David Susskind Stephen Battaglio,2010-10-12 A rich biography of one of the most important cultural figures of the '50s, '60s and '70s—maverick television producer and talk show host David Susskind A flamboyant impresario who began his career as an agent, David Susskind helped define a fledgling television industry. He was a provocateur who fought to bring high-toned literary works to TV. His series *East Side/West Side* and *N.Y.P.D.* broke the color barrier in casting and brought gritty, urban realism to prime time. He indulged his passion for issues and ideas with his long running discussion program, first called *Open End* and then *The David Susskind Show*, where guests could come from The White House one week and a whore house the next. The groundbreaking program made news year in and year out. His legendary live interview with Nikita Khrushchev at the height of the Cold War inflamed both the political and media establishments. Susskind was an enfant terrible whose life—both on and off the screen—makes fascinating reading. His rough edges, appetite for women, and scorn for the business side of his profession often left his own career hanging by a thread. Through extensive original reporting and deep access to David Susskind's personal papers, family members and former associates, Stephen Battaglio creates a vivid portrait of a go-go era in American media. David Susskind is as much a biography of an expansive and glamorous time in the television business as it is the life of one of its most colorful and important players.

The Miranda Obsession Bryan Burrough, 2011-11-21 She said she was a gorgeous, wealthy, well-connected model and student named Miranda, and she seduced a slew of famous and powerful men Billy Joel, Warren Beatty, Ted Kennedy, Quincy Jones, Robert DeNiro, Bob Dylan, Buck Henry, Richard Gere, Eric Clapton, and many more all of them over the phone. In the course of those long, flirtatious conversations some fell madly in love with her. Some became obsessed with her. Some had their hearts broken by her. And then she vanished. In the 12 years since bestselling author Bryan Burrough (Barbarians at the Gate, The Big Rich) first published his story The Miranda Obsession in Vanity Fair, the legend of Miranda has continued to grow and his article has become a true classic of the genre. On the heels of a just-aired prime-time Vanity Fair-CBS 48 Hours

special on enduring Hollywood mysteries, Burrough is republishing his story as an e-book, complete with a new Afterword that brings Miranda's extraordinary tale up to date with the names of still more leading men who fell under her spell, from Bono to Rush Limbaugh. Writes Burrough: In 30 years in the field...I don't think I've ever come across another [story] like it.... She has much to say about what men want, what men need, and how to keep a man coming back for more.

Five Sisters James Fox,2001-02-21 The author of the bestseller *White Mischief* tells the story of the beautiful Langhorne sisters, who lived at the Pinnacle of high and powerful society from the end of the Civil War through the Second World War. Making their way across two continents, they left in their wakes rich husbands, fame, adoration, and scandal. Lizzie, Irene, Nancy, Phyllis, and Nora were born in Virginia to a family impoverished by the Civil War. Their father remade his fortune by collaborating with the Yankees and building rail-roads; the sisters became southern belles and northern debutantes. James Fox draws on unpublished correspondence between the sisters and their husbands, lovers, children, and the powerful and glamorous of their day to construct a plural topography with the scope of a grand novel and the pace of a historical thriller. At its center is the most famous sister, Nancy, who married Waldorf Astor, one of the richest men in the world. Heroic, hilarious, magnetically charming, and a bully, Lady Astor became Britain's first female MP, championing women's rights and the poor. The beautiful Irene married Charles Dana Gibson and was the model for the Gibson Girl. The author's grandmother, Phyllis, married a famous economist, one of the architects of modern Europe. Fox has written an absorbing and spirited,

intimate and sweeping account of extraordinary women at the highest reaches of society, their adventures set against the background of a tumultuous century.

Caught in the Revolution Helen Rappaport, 2016-08-25 SELECTED AS A BOOK OF THE YEAR IN THE TELEGRAPH AND EVENING STANDARD '[The] centenary will prompt a raft of books on the Russian Revolution. They will be hard pushed to better this highly original, exhaustively researched and superbly constructed account.' Saul David, Daily Telegraph 'A gripping, vivid, deeply researched chronicle of the Russian Revolution told through the eyes of a surprising, flamboyant cast of foreigners in Petrograd, superbly narrated by Helen Rappaport.' Simon Sebag Montefiore, author of *The Romanovs* Between the first revolution in February 1917 and Lenin's Bolshevik coup in October, Petrograd (the former St Petersburg) was in turmoil. Foreign visitors who filled hotels, bars and embassies were acutely aware of the chaos breaking out on their doorsteps. Among them were journalists, diplomats, businessmen, governesses and volunteer nurses. Many kept diaries and wrote letters home: from an English nurse who had already survived the sinking of the Titanic; to the black valet of the US Ambassador, far from his native Deep South; to suffragette leader Emmeline Pankhurst, who had come to Petrograd to inspect the indomitable Women's Death Battalion led by Maria Bochkareva. Drawing upon a rich trove of material and through eye-witness accounts left by foreign nationals who saw the drama unfold, Helen Rappaport takes us right up to the action - to see, feel and hear the Revolution as it happened.

The Visiting Privilege Joy Williams, 2016-11-03 'How to tell the story of a 500-page collection of stories spanning more than forty years? Especially when I really want to just exclaim, Oh, Oh, OH! in a state of steadily mounting rapture' Geoff Dyer, Observer Williams' uniquely devastating portrayals of modern life have been captivating readers and writers for decades. Here, for the first time, Williams' thirty-three best stories are available in a single volume, together with thirteen new stories that show a writer continuing to mould the form into something strange and new. Bleak but funny, real but surreal, domestic but dangerous, familiar but enigmatic, Joy Williams' stories fray away the fabric at the edge of ordinary experience to reveal the loneliness at the heart of human life. In 'The Lover', a girl suffers a spiritual and physical wasting away; in 'The Visiting Privilege', a visitor finds refuge in her friend's psychiatric ward; in 'Charity', a woman gives a poor family gas money and finds herself marooned in their peculiar world; in 'Another Season' an itinerant man cleanses an island of roadkill; in 'Craving' an alcoholic couple head towards a car crash. *The Visiting Privilege* represents the culmination of Williams' career and cements her place as the most singular artist of short fiction writing today.

The Boys in the Boat Daniel James Brown, 2013-06-04 Now a Major Motion Picture Directed by George Clooney The #1

New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington’s eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys’ own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man’s personal quest.

TV Noir Allen Glover, 2019-09-24 The pioneering, incisive, lavishly illustrated survey of noir on television—the first of its kind Noir—as a style, movement, or sensibility—has its roots in hardboiled detective fiction by writers like Chandler and Hammett, and films adapted from their novels were among the first called “film noir” by French cinéastes. But film isn’t the only medium with a taste for a dark story. Hundreds of noir dramas have been produced for television, featuring detectives and femmes fatales, gangsters, and dark deeds, continuing week after week, with a new disruption of the social order. In *TV Noir*, television historian Allen Glover presents the first complete study of the subject. Deconstructing its key elements with astute analysis, from NBC’s adaptation of Woolrich’s *The Black Angel* to the anthology programs of the ’40s and ’50s, from the classic period of *Dragnet*, *M Squad*, and *77 Sunset Strip* to neo-noirs of the ’60s and ’70s including *The Fugitive*, *Kolchak*, and *Harry O.*, this is the essential volume on TV noir.

The Hollywood Reporter, 1961

Little Sister Lana Wood, 2021-11-09 In this memoir, Lana Wood investigates the mysterious drowning of her sister, the actress Natalie Wood, and clears up the myths and misconceptions behind one of the most notorious celebrity deaths of our time. On the night of November 29, 1981, Natalie Wood disappeared from her yacht, the *Splendour*, while visiting Catalina Island with her husband, Robert “R.J.” Wagner and their friend, Christopher Walken. The beloved movie star’s tragic drowning shook America, inspiring troves of magazine covers and media pieces. What was originally believed to be an open-and-shut case of accidental drowning has been called into question over the years, and in 2011 the investigation was reopened. In 2018, at the urging of the public, it was reclassified as “suspicious.” Ever since, the question has remained: What really happened to Natalie Wood? Lana Wood, Natalie’s younger sister, long suspected nefarious circumstances surrounding her sister’s death. Her closest confidante from childhood, Lana stood witness to Natalie’s life: the successes, the

heartache, and her deepest pain. But there was tremendous fear about investigating the case. Uncertain of what her own search would unravel, and frightened of the possibilities, Lana stayed silent for years, until she no longer could. She realized she was ignoring what was in front of her, and that the best way to honor her sister's legacy would be uncovering the secrets behind the very end of Natalie's life. By elucidating previously unknown complications of Natalie's life, and offering new evidence from key parties involved in the investigation—including the boat's captain and other witnesses—Little Sister recounts Lana's search for the truth and brings to light explosive details that have been suppressed for decades. Ranging from the bonds that hold family together, to inconsistencies in interviews with detectives to complications with evidence, this story of sisterhood and mystery presents a fresh perspective on a night that has long been fodder for Hollywood lore.
