The Battle for the Mind Bishop Noel Jones,2011-07-28 The dichotomy of this book juxtaposes success and failure while solidifying the truth that walking with God is not conflict free because the essential nature of man is a unity of two (dichotomy) distinct realities, one physical (body) and spiritual (soul, spirit, mind). When the question is asked, What is the mind? The authors present a logical case for linking the paradigms of the mind from theology (truth) to philosophy (the search for truth) to provide a deeper understanding of two opposing forces that cause the battle between the desires of the flesh and the will of the spirit

Winning the Battle for Your Mind, Will and Emotions Robert Hotchkin,2018-10-16 The most important battle you face is the battle for your mind, will, and emotions. Why? Because it greatly determines how much of God and his kingdom you will experience while you're on earth. The thoughts we entertain, the words we speak, and the choices we make shape and influence not only our reality, but all of creation. The enemy loves to highlight our temporary challenges; poke at our feelings and stir up fear, frustration, doubt, and self-pity; and get us mired in murmuring and complaining. Yet the Bible

shows us that all of heaven is available to us right now. In these pages you will discover the secret of Colossians: the incredible power of Christ in you. When you learn how to access his ever-present power and goodness, feelings and fears will no longer control you. You will go from being overwhelmed to being an overcomer. Heaven is only a decision away. How will you choose?

Homage to Catalonia George Orwell,2023-11-27 Homage to Catalonia is George Orwell's personal account of his experiences and observations fighting for the POUM militia of the Republican army during the Spanish Civil War. The war was one of the defining events of his political outlook and a significant part of what led him to write in 1946, Every line of serious work that I have written since 1936 has been written, directly or indirectly, against totalitarianism and for Democratic Socialism, as I understand it. The first edition was published in the United Kingdom in 1938. The book was not published in the United States until February 1952, when it appeared with an influential preface by Lionel Trilling. The only translation published in Orwell's lifetime was into Italian, in December 1948. A French translation by Yvonne Davet-with whom Orwell corresponded, commenting on her translation and providing explanatory notes-in 1938-39, was not published until five years after Orwell's death. Book Summary: Orwell served as a private, a corporal (cabo) and-when the informal command structure of the militia gave way to a conventional hierarchy in May 1937-as a lieutenant, on a provisional basis, in Catalonia and Aragon from December 1936 until June 1937. In June 1937, the leftist political party with whose militia he served (the POUM, the Workers' Party of Marxist Unification, an anti-Stalinist communist party) was declared an illegal organisation, and Orwell was consequently forced to flee. Having arrived in Barcelona on 26 December 1936, Orwell told John McNair, the Independent Labour Party's (ILP) representative there, that he had come to Spain to join the militia to fight against Fascism. He also told McNair that he would like to write about the situation and endeavour to stir working class opinion in Britain and France. McNair took him to the POUM barracks, where Orwell immediately enlisted. Orwell did not know that two months before he arrived in Spain, the [Soviet law enforcement agency] NKVD's resident in Spain, Aleksandr Orlov, had assured NKVD Headquarters, 'the Trotskyist organisation POUM can easily be liquidated'-by those, the Communists, whom Orwell took to be allies in the fight against Franco.
