Berlin Fashion Julia Stelzner, 2014 From the hottest new labels to the best shopping addresses, everything you want or need to know about Europe's newest fashion capital can be found in this encyclopedic and eye-catching book. It's been more than two decades since the wall dividing Berlin's east and west sides came down. Since then the city has evolved into a Mecca for the international fashion crowd, attracted by the city's artistic history, its newfound exuberance and reasonable cost of living. Written by a style insider, this book explores every aspect of the city's love affair with clothing. In an engaging series of brightly illustrated chapters it explains what makes Berlin's fashion scene unique and shows some of the best shops for high and low-end purchases. Interviews with leading fashion journalists, stylists and bloggers offer individual

perspectives on what's hot right now, while profiles of established and exciting new labels point to where trends are heading. Furthermore, essays by renowned fashion writers explain the Berlin fashion scene from different perspectives. Whether you're planning a trip to the city itself or merely looking for inspiration, this essential reference offers a multitude of useful information about Berlin's special fashion zeitgeist.

Conversations with Kafka (Second Edition) Gustav Janouch, 2012-01-26 A literary gem – a portrait from life of Franz Kafka – now with an ardent preface by Francine Prose, avowed “fan of Janouch’s odd and beautiful book.” Gustav Janouch met Franz Kafka, the celebrated author of *The Metamorphosis*, as a seventeen-year-old fledgling poet. As Francine Prose notes in her wonderful preface, “they fell into the habit of taking long strolls through the city, strolls on which Kafka seems to have said many amazing, incisive, literary, and per- things to his companion and interlocutor, the teenage Boswell of Prague. Crossing a windswept square, apropos of something or other, Kafka tells Janouch, ‘Life is infinitely great and profound as the immensity of the stars above us. One can only look at it through the narrow keyhole of one’s personal experience. But through it one perceives more than one can see. So above all one must keep the keyhole clean.’” They talk about writing (Kafka’s own, but also that of his favorite writers: Poe, Kleist, and Rimbaud, who “transforms vowels into colors”) as well as technology, film, crime, Darwinism, Chinese philosophy, carpentry, insomnia, street fights, Hindu scripture, art, suicide, and prayer. “Prayer,” Kafka notes, brings “its infinite radiance to bed in the frail little cradle of one’s own existence.”
