

Braune Feder Bedeutung Liebe

Herrmann Julius Meyer

Niederdeutsche Beiträge zur Kunstgeschichte, 2002

Sword and Verse Kathy MacMillan, 2018-09-04 In a sweeping fantasy that award-winning author Franny Billingsley calls fascinating and unique, debut author Kathy MacMillan weaves palace intrigue and epic world-building to craft a tale for fans of Rae Carson and Megan Whalen Turner. Raisa was just a child when she was sold into slavery in the kingdom of Qilara. Before she was taken away, her father had been adamant that she learn to read and write. But where she now lives, literacy is a capital offense for all but the nobility. The written language is closely protected, and only the King, Prince, Tutor, and Tutor-in-training are allowed to learn its very highest form. So when she is plucked from her menial labor and selected to replace the last Tutor-in-training who was executed, Raisa knows that betraying any hint of her past could mean death. Keeping her secret guarded is hard enough, but the romance that's been blossoming between her and Prince Mati isn't helping matters. Then Raisa is approached by the Resistance—an underground rebel army—to help liberate the city's slaves. She wants to free her people, but that would mean aiding a war against Mati. As Raisa struggles with what to do, she discovers a secret that the Qilarites have been hiding for centuries—one that, if uncovered, could bring the kingdom to its knees.

Zeichnung in Deutschland Heinrich Geissler, Staatsgalerie Stuttgart. Graphische Sammlung, 1979

The Adventures of Maya the Bee Waldemar Bonsels, 2021-10-11 Book Excerpt: ing glimmered red. A lurking impatience seized the little bee. Moreover, she felt hungry. So, courageously, with a loud joyous buzz, she swung out of her hiding-place into the clear, glistening air and the warm sunlight, and made straight for the red patch that seemed to nod and beckon. When she drew near she smelled a perfume so sweet that it almost robbed her of her senses, and she was hardly able to reach the large red flower. She let herself down on the outermost of its curved petals and clung to it tightly. At the gentle tipping of the petal a shining silver sphere almost as big as herself, came rolling toward her, transparent and gleaming in all the colors of the rainbow. Maya was dreadfully frightened, yet fascinated too by the splendor of the cool silver sphere, which rolled by her, balanced on the edge of the petal, leapt into the sunshine, and fell down in the grass. Oh, oh! The beautiful ball had shivered into a score of wee pearls. Maya uttered a little cry of terror. But the tiny round fragments Read More

Poetics and Politics Toni Bernhart, Jaša Drnovsek, Sven Thorsten Kilian, Joachim Küpper, Jan Mosch, 2018-08-21 Far from

teleological historiography, the pan-European perspective on Early Modern drama offered in this volume provides answers to why, how, where and when the given phenomena of theatre appear in history. Using theories of circulation and other concepts of exchange, transfer and movement, the authors analyze the development and differentiation of European secular and religious drama, within the disciplinary framework of comparative literature and the history of literature and concepts. Within this frame, aspects of major interest are the relationship between tradition and innovation, the status of genre, the proportion of autonomous and heteronomous creational dispositions within the artefacts or genres they belong to, as well as strategies of functionalization in the context of a given part of the cultural net. Contributions cover a broad range of topics, including poetics of Early Modern Drama; political, institutional and social practices; history of themes and motifs (Stoffgeschichte); history of genres/cross-fertilization between genres; textual traditions and distribution of texts; questions of originality and authorship; theories of circulation and net structures in Drama Studies.
