

Case Notes Examples Social Work

Shelagh Larkin

Writing Skills for Social Workers Karen Healy, Joan Mulholland, 2012-02-29 Social workers are required to communicate in writing for a range of purposes and audiences. The new edition of this best-selling book aims to raise the profile of writing skills in social work practice. It encourages the development of writing techniques which will stand the reader in good stead throughout their professional career. Examples of the types of writing covered include: - Case-notes - Reports - Proposals - Literature reviews - Journal articles - Funding applications. Reflective exercises, hot tips for effective writing and further reading are included in each chapter. The book is also linked to the professional standards that structure training, practice and continuing professional development. It will be an essential study guide for all students, practitioners and managers in social work settings.

Social Work Documentation Nancy Sidell, 2023 Designed to help practitioners build writing skills in a variety of settings, Social Work Documentation is a how-to guide for social work students and practitioners interested in good record keeping and improving their documentation skills. This popular, must-have resource provides practical advice on current practice issues such as electronic case recording, trauma-informed documentation, and assessing and documenting client cultural differences of relevance. This third edition is updated to view documentation through person-first language, and includes a chapter on bias-free language selection, with examples and exercises to ensure appropriate wording choices are used related to age, disability, immigration and socioeconomic status, and gender and sexual orientation--

Handbook for Social Work Writing Susan E. Mason, Wendy Zeitlin, 2024-03-28 This concise, accessible, and engaging handbook offers a companion for social work students to acquire professional and competency-based writing skills. Written by experienced educators, the book builds writing proficiency by introducing a social work-based guide to academic writing and professional communication. Each chapter addresses a specific area of social work writing and development, progressing from coursework and beginning fieldwork to practice-based assessments and reports. The authors integrate a series of scaffolded activities throughout for readers to cultivate awareness and further technique; and with sections explaining contemporary communication methods and common writing challenges, readers will be prepared to use technology both to strengthen their writing and to ease the overall process. Excellent for use in courses across the social work curriculum and as a personal guide, the Handbook for Social Work Writing provides students with on-the-spot guidance for any type of

academic or professional writing assignment.

Writing Skills for Social Work Students Bella Ross,2021-03-03 This book will equip social work students with the knowledge, skills and confidence to produce first-rate written assignments. Part one focuses on the foundational skills needed to produce excellent written work. Students are taken through the core stages of working on an assignment, from planning the task and reading and note-making through to finding and evaluating sources, drafting a text, and editing and proofreading. Part two hones in on the key types of assignment students will encounter on their degree. It contains dedicated chapters on writing an essay, a reflective text, a case study analysis, a literature review, a placement report, and case notes on placement. Each chapter contains examples and activities which will help students to test their knowledge and understanding. This is an essential companion for all social work students.

Writing Skills for Social Workers Karen Healy,Joan Mulholland,2019-03-11 As a social worker, you are required to communicate in writing for a wide range of purposes and audiences. This text guides you through all you need to know to develop your social work writing skills: Essential elements of written communication Writing skills in daily practice Macro-practice writing skills: obtaining resources and creating change Influencing your professional context Now with two new chapters on writing for local mass media and writing for social media. Hot tips for effective writing, reflective exercises & further reading are included in every chapter to help you cement your skills and become a confident and effective written communicator.

Writing for Social Work Lucy Rai,2021-02-03 A step-by-step guide to effective writing in social work

Writing Analytical Assessments in Social Work Chris Dyke,2025-02-28 You write something so that it can be read, not in order that it can be written - write reports that achieve and illuminate! The third edition of the best-selling *Writing Analytical Assessments in Social Work* guides you through the principles of good writing and methodically shows you: how to analyse how to structure the process of writing an assessment (researching, chronologising, informed data-gathering, putting it all together), how to get this done under time constraints. how to break down the practical and psychological barriers to good practice and how to turn good analysis into useful recommendations. This new edition features brand new content, on subjects such as decision-making and cognitive fallacies in assessment, how to conduct analysis on domestic violence and systematic thinking and reflexivity in assessment. There are also updates on MCA assessments, new legislation and documents. Written in an accessible way and packed with examples and case studies, this book is both practically-minded and constantly returning to first principles: reminding you what it is you are trying to achieve and teaching you how to write reports that can be read by families and judges alike. You will learn how to write high quality, useful and timely assessments without becoming mechanistic or managerial. This book kills the myth of a trade-off between efficiency and quality of work. *Writing Analytical Assessments in Social Work* is an essential companion whether you are a newly-qualified social worker, a

student about to undertake your first placement or a seasoned professional looking to improve your skills. It is also suitable for all branches of social work.

Professional Writing for Social Work Practice Daniel Weisman, 2012-12-10 Print+CourseSmart

Writing Skills for Social Work Students Bella Ross, 2021-03-03 This book will equip social work students with the knowledge, skills and confidence to produce first-rate written assignments. Part one focuses on the foundational skills needed to produce excellent written work. Students are taken through the core stages of working on an assignment, from planning the task and reading and note-making through to finding and evaluating sources, drafting a text, and editing and proofreading. Part two hones in on the key types of assignment students will encounter on their degree. It contains dedicated chapters on writing an essay, a reflective text, a case study analysis, a literature review, a placement report, and case notes on placement. Each chapter contains examples and activities which will help students to test their knowledge and understanding. This is an essential companion for all social work students.

Social Work Case Management Betsy Vourlekis, 2017-07-05 This new practice text provides a series of readings focusing on case management in a number of fields and in a variety of settings with different client populations. Each chapter examines a major component of case management practice by presenting information about an innovative program from a different location around the country. In conjunction, these readings provide a road map to social work case management. In addition to offering up-to-date practice approaches and examining the functions and skills of case management in depth, the authors provide the policy information needed for putting this traditional form of social work practice into today's service delivery context.

Professional Writing for Social Work Practice Daniel Weisman, MSW, PhD, Joseph L. Zornado, PhD, 2012-12-10 Many social work students today lack the basic writing skills they will need to practice effectively with clients. This user-friendly guide to effective writing skills focuses specifically on the types of writing social work practitioners are required to do in everyday practice: writing for agency reports, client documentation, court letters, and grant writing applications, among other documents. It includes abundant real-world examples drawn from all arenas of social work practice. The text helps students to understand and practice the basics of successful writing through the inclusion of actual forms and records that are customarily used in social work practice. It presents examples of strong writing and analyzes common writing errors. Each chapter contains examples of good and poor writing, and includes forms on which students can practice their new skills. The text also covers legal and ethical issues surrounding legal documentation and use of writing to influence policy and transmit research findings. Key Features: Helps students understand and practice the basics of good writing Focuses specifically on the types of writing they will need to do in social work practice Includes writing samples used in actual social work venues Provides samples of agency reports, intake forms, client progress notes, court documentation, and more

Writing Analytical Assessments in Social Work Chris Dyke,2019-03-25 You write something in order that it can be read, not in order that it can be written - write reports that achieve and illuminate. The best-selling *Writing Analytical Assessments in Social Work* guides you through the principles of good writing and methodically shows you: how to analyse how to structure the process of writing an assessment (researching, chronologising, informed data-gathering, putting it all together), and how to get this done under time constraints. The new edition goes further than just teaching writing skills by exploring the practical and psychological barriers to good practice. It also looks at how you turn good analysis into useful recommendations - making it something useful for the family - by applying the same analytical, critical thinking. Written in an accessible way and packed with examples and case studies, this book is both practically-minded and constantly returning to first principles: reminding you what it is you are trying to achieve and teaching you how to write reports that can be read by families and judges alike. You will learn how to write high quality, useful and timely assessments without becoming mechanistic or managerial. This book kills the myth of a trade-off between efficiency and quality of work.

Decision Cases for Generalist Social Work Practice T. Laine Scales,Terry A. Wolfer,2006 This collection of cases provides social work students with opportunities to practice thinking like social work professionals. Students learn to articulate and defend their positions, to listen more effectively, and to develop skills in collaborative probl.

Effective writing for social work Rai, Lucy,2014-09-17 Based on original research, this book offers students an insight into the nature and challenges of writing in social work practice, enabling them to improve their writing skills. It explores the ways in which both students and qualified social workers can be more effective in their writing through an awareness of the purpose, context and audience. It makes explicit the connections and differences between learning to write in university and communicating through writing in practice and explores the impact that new technologies have on academic and professional writing. Drawing on both research and examples from practice, *Effective writing for social work* is a valuable tool for students, educators, practitioners and managers to critically examine ways in which writing could better support best practice in social work.

Case Studies in Social Work Practice Craig W. LeCroy,2014-01-14 A practical approach to understanding social work concepts in action that integrates theory and practice In this updated edition of the classic social work text, students and instructors have access to real-world demonstrations of how social work theories and concepts can be applied in practice. The case studies in this book bridge the gap between the classroom and the field by allowing students to discover the when, why, and how of social work principles. Brief but comprehensive topic overviews are brought to life by case studies that apply general theories to the work of social work. Each of the book's nine sections cover an essential area of social work, encompassing the micro, mezzo, and macro levels Highly readable explanations are followed by 3-5 case studies relating theory to the living practice of real social workers Topics include Generalist Practice; Family Therapy, Treatment of Adults;

and Diversity Approaching each topic from a variety of different theoretical bases, this essential text allow students to learn by concrete example, experiencing social work concepts as they are applied in the profession today.

Social Work Records Jill Doner Kagle,1996 Describes & evaluates the task of recordkeeping for social work practitioners.

The Columbia Guide to Social Work Writing Warren J. Green,Barbara Levy Simon,2012 Social work practitioners write for a variety of publications, and they are expected to show fluency in a number of related fields. Whether the target is a course instructor, scholarly journal, fellowship organization, or general news outlet, social workers must be clear, persuasive, and comprehensive in their writing, especially on provocative subjects. This first-of-its-kind guide features top scholars and educators providing a much-needed introduction to social work writing and scholarship. Foregrounding the process of social work writing, the coeditors particularly emphasize how to think about and approach one's subject in a productive manner. The guide begins with an overview of social work writing from the 1880s to the present, and then follows with ideal strategies for academic paper writing, social work journal writing, and social work research writing. A section on applied professional writing addresses student composition in field education, writing for and about clinical practice, the effective communication of policy information to diverse audiences, program and proposal development, advocacy, and administrative writing. The concluding section focuses on specific fields of practice, including writing on child and family welfare, contemporary social issues, aging, and intervention in global contexts. Grounding their essays in systematic observations, induction and deduction, and a wealth of real-world examples, the contributors describe the conceptualization, development, and presentation of social work writing in ways that better secure its power and relevance.

A Field Guide for Social Workers Shelagh Larkin,2018-06-25 Integrating theory with practice, A Field Guide for Social Workers: Applying Your Generalist Training helps students understand and overcome the challenges of field education. This comprehensive text provides the necessary tools to develop and demonstrate core competencies set forth by the Council on Social Work Education (CSWE) using author Shelagh Larkin's generalist field education approach grounded in generalist practice literature. Integrative activities and reflection questions directly apply generalist training to field experience. Students will be equipped to meet the goals of the field and realize their potential as generalist practitioners.

Experiential Learning and Internship for Undergraduates Abigail O. Akande,Michael B. Lavetsky,Stacey Conway,2024-10-08 This textbook is a comprehensive and sequential guide designed specifically for undergraduate students entering internships in the human services field and for the faculty serving as their internship supervisors. With a strong focus on career development and self-exploration, it builds understanding of the theoretical knowledge and core competencies needed for practical, clinical experience in a variety of human services positions such as rehabilitation, social work, case management, counseling, and criminal justice. Through a variety of exercises and activities in an effective

workbook format, this book assists student interns in developing a better sense of self in relation to their career readiness and helps them to identify career paths in the human services field. It goes on to support them in developing the soft skills necessary to navigate professional careers and gives guidance on how to secure undergraduate internships in the human services field. The book focuses on how to develop the tools needed to succeed, from counseling skills, case management, and crisis management to ethical conduct, multicultural considerations, self-care, legislation, and working under supervision. It is accompanied by downloadable versions of all the exercises and activities which will be available for instructors using this book as a course text. By targeting the career exploration content that is vital in the experience of undergraduates who are seeking professions in such a broad human services field, it will be essential reading for students at this level. It is also a valuable resource for internship or practicum instructors in undergraduate programs, with a focus on rehabilitation, human services, social work, psychology, criminal justice, and other related helping fields.

EBOOK: An Introduction to Applying Social Work Theories and Methods, 4/e Barbra Teater, 2024-08-14 “This book is a reassuring, thorough and essential guide to the world of social work theories and methods...This 4th Edition deserves to find a place on every social work reading list and bookshelf.” Professor Richard Ingram, University of Dundee, Scotland, UK “Based on the belief that all social workers have a responsibility both ethically and professionally to draw upon theories that are grounded in social work values, the fourth edition of this book offers readers the opportunity to consider anew those theories.” Sarah Vicary, Professor of Social Work and Mental Health, School of Health Wellbeing and Social Care, The Open University, UK “An essential read for anyone in the field of social work... This book is a testament to the profound impact that well-grounded theoretical knowledge can have on real-world social work. Highly recommended for its clarity, depth, and relevance.” Paul McCafferty, Senior Lecturer in Social Work, Queen’s University Belfast, NI This text is a comprehensive guide to the most commonly used theories and methods in social work practice. The introductory chapter covers the similarities and differences between a theory and a method, as well as an overview of psychosocial theories and concepts. Each subsequent chapter explores in detail how to implement a specific theory or method, their strengths and limitations, key research, ethical and cultural considerations, and the integration of the theory or method with anti-oppressive practice. Each chapter includes case examples, critical thinking questions, and suggested further resources. Key features of this new edition include: Illustrative case studies Exercises and case examples Critical thinking questions Further readings/resources Revised content, including a chapter on relationship-based social work An Introduction to Applying Social Work Theories and Methods is a practical and essential guide for all social work students, practitioners, and practice educators who are working with students in field placements. Barbra Teater is Professor of Social Work at the College of Staten Island and is Executive Officer of the PhD Program in Social Welfare at The Graduate Center, City University of New York, USA.
