

Edie And Little Edie

Camilla Way

MemoraBEALEia Walter Newkirk, 2008 A Warrior-Adventurer's Book of Campfire Verse is a fun volume of poetry (free verse, 2,3,and 4 liners, and limited essays) that is filled with adventurous stories in poetic form that will delight both young and old alike. Each poem has an element of truth and moral content. This volume is formatted in very easy to read text. This book has verse about TacomaWashington, war, everyday living, Sasquatch, Unicorns, and real life issues. Truth is stranger than fact.

My Life at Grey Gardens, 13 Months and Beyond Lois Wright, 1978 Lois Wright was a lifelong friend of both 'Big Edie' Bouvier Beale and 'Little Edie', and she went along for the ride when the Beales were immortalized in the 1976 cinema verite documentary Grey Gardens. Most fans of the film--if they know her at all--think of Lois as the silent party guest who gave Big Edie a little index card box. Although her role in the documentary was minimized because it complicated the Maysles' vision of the documentary, Lois played an important role in the Beales' lives, including the little-known fact that she actually lived in the house--Cover, p. 4.

Grey Gardens Rebekah Maysles, Sara Maysles, Albert Maysles, 2009 One of the strangest and subtlest films ever made, the Maysles Brothers' 1975 documentary Grey Gardens today boasts as devoted a following as *One Flew Over the Cuckoo's Nest* or *Harold and Maude*. Shot at Grey Gardens, the dilapidated East Hamptons mansion of Big Edie and Little Edie Beale, aunt and cousin to Jackie Onassis, this classic of cinema verite tracks the Beales' eccentric and sequestered lives - which consist mostly of doing nothing, but with a mesmerizing zest and volubility. Little Edie's magical aphorisms (Raccoons and cats become a little bit boring, she sighs towards the end of the film, I mean for too long a time) are gems of unwitting camp, and between her observations, her costumes, the incredibly bizarre mother daughter tensions, the cats, raccoons and the beautiful ruins of Grey Gardens itself, doing nothing amounts to everything; indeed, it amounts to a tragicomedy of enormous emotional punch. This eclectic volume offers a myriad of collaged illustrations, photographs, film stills, production notes and other archival materials alongside transcripts of the Beales' own stories and conversations edited from unreleased Grey Gardens sound recordings. Structured to mirror the Maysles' own approach to the world of the Beales, it closely resembles the enchanting clutter of the mansion, a self-contained world littered with mementos and telling ephemera. It also reproduces unpublished photographs by both Albert and David Maysles. With an introduction by Albert Maysles, drawings

and illustrations by Albert's daughter, Rebekah Maysles and an appendix with the full transcript of Grey Gardens, as well as an audio CD of sound recordings capturing the Beales at their best, this book is the essential companion to the film and a beautiful testimony to its legacy. The 60-minute CD that comes with the book contains conversations with the Beales and their friends, songs and poetry recited by the two Edies and audio of the Beales during and after watching the film for the first time.

Everybody Behaves Badly Lesley M. M. Blume, 2016 A dazzling depiction of the genesis of *The Sun Also Rises* and how Ernest Hemingway created his own legend

Terrible, Horrible Edie E. C. Spykman, 2012-12-12 Even if she has lived ten terrible years, terrible, horrible Edie really isn't terrible and horrible at all, but rather one of the most charming and engaging and gutsy children in American children's fiction. It's true of course that Edie does get into—and not always without it being at least a little bit her fault—some pretty terrible and horrible scrapes, and that sometimes she will sulk, but these are the kinds of things that happen to the kid sister of two snooty boys and one fancy-pants girl, not to mention having to deal with the distraction of two half sisters who are no better than babies. Edie's father and stepmother have headed to Europe for the summer, and though the rest of the family can look forward to good times at a beloved summer house on the sea, Edie still has to fight to hold her own. Adventures on a sailboat and on an island, and the advent of a major hurricane and what Edie takes to be a military coup, all come to a climax when Edie solves the mystery of who stole the neighbor's jewels and saves, at least for one day, the day. This story of Edie and the other members of the Cares family may remind readers of Arthur Ransome's *Swallows and Amazons*, except that Edie has an experimental, even anarchic streak that is all her terrible, horrible own.

Leaving Lana'i Edie Claire, 2015-11-10 Second in the USA-Today bestselling PACIFIC HORIZONS series! In these connected romantic novels, characters facing tragedy, heartbreak, and painful family secrets are drawn to the wild beauty of the natural world. Breaching whales and howling wolves refresh their spirits, but only human love can heal their souls... One horrible night fifteen years ago, a little girl named Maddie was taken away from the island paradise she treasured, the townspeople she loved, and the playmate who shared her soul. Now, she's coming back to them. Maddie was only a child in those idyllic, carefree days when she and her best friend Kai swam in the ocean, fished, hiked, and stargazed on the tropical island of Lana'i. At twenty-five, she realizes that her memories of those elementary-school days may have been romanticized, given that the months following her mother's sudden death and her own unwilling departure from Lana'i were the worst of her life. But she has never given up her dream of returning to the people she cared about. Not when warm images of the boy Kai's face continue to haunt her mind. Having contrived to do post-doctoral research studying feral cats on the neighboring island of Maui, bold-from-birth Madalyn Westover isn't afraid to show up out of nowhere and say hello. Nor is she afraid to track down Kai, despite several nebulous warnings about how much he has changed. But when she realizes that every man,

woman and child in Lana'i City seems to have mysterious knowledge about her own family which she does not, Maddie doesn't feel so brave anymore. And when reality crashes into fantasy full force, she must decide in whom and what she can trust to find her own true home. Praise for romantic fiction by Edie Claire: LONG TIME COMING "Emotionally gripping, suspenseful and superb... I was held in wonderment over much of this story and realized early on to expect the unexpected. This is a story of trust, love, friendship and healing. Ms. Claire is an author I hope to see more of in the future. If Long Time Coming is any indication of her writing talent, I will be first in line at the bookstores to get more of her work. This is a positively splendid tale from start to finish and is highly recommended." Reviewer's Choice Award -- Road to Romance "Two words. ABSOLUTELY FANTASTIC! Edie Claire has written a wonderful novel about friendship, love, guilt and death... Utterly riveting." Rating: 10/10 -- Contemporary Romance Writers MEANT TO BE "One of the best books I have read this year... An element of suspense runs through the pages, and the endearing tale builds to a crescendo of excitement and thrill while warming the heart. Meant To Be is a powerful story of love, healing, discovery and truth... I closed the covers wishing I could stay inside the green world of Meara and Fletcher's mountain. Ms. Claire has woven a tale that touched my soul and will live as a cherished keeper to read again and again. I am pleased to award Meant To Be our finest honor, RRT's Perfect 10." Perfect 10 Award -- Romance Reviews Today "Meant to be written, read and remembered in your heart decades after you've turned the last page. Edie Claire is an exceptional author and keeper of the heart." -- Writers Room Magazine

Watching Edie Camilla Way,2016-08-02 For fans of *Gone Girl* and *The Girl on the Train*: A dazzling work of psychological suspense that weaves together the past and present of two women's twisted friendship. Beautiful, creative, a little wild... Edie was the kind of girl who immediately caused a stir when she walked into your life. And she had dreams back then—but it didn't take long for her to learn that things don't always turn out the way you want them to. Now, at thirty-three, Edie is working as a waitress, pregnant and alone. And when she becomes overwhelmed by the needs of her new baby and sinks into a bleak despair, she thinks that there's no one to turn to... But someone's been watching Edie, waiting for the chance to prove once again what a perfect friend she can be. It's no coincidence that Heather shows up on Edie's doorstep, just when Edie needs her the most. So much has passed between them—so much envy, longing, and betrayal. And Edie's about to learn a new lesson: those who have hurt us deeply—or who we have hurt—never let us go, not entirely...

All the Pretty Things Edie Wadsworth,2016-09-01 "The night the trailer burned down, I think Daddy was the one who set it on fire. . . ." For a long time, Edie thought she had escaped. It started in an Appalachian trailer park, where a young girl dreamed of becoming a doctor. But every day, Edie woke up to her reality: a poverty-stricken world where getting out seemed impossible. Where, at twelve years old, she taught herself to drive a truck so she could get her drunk daddy home from the bar. Where the grownups ate while the children went hungry. Where, when the family trailer burned down, she couldn't be caught squawlin' over losing her things—she just had to be grateful anyone had remembered to save her at all.

And at the center of it all, there was her daddy. She never knew when he would show up; she learned the hard way that she couldn't count on him to protect her. But it didn't matter: All she wanted was to make him proud. Against all odds, Edie "made doctor," achieving everything that had once seemed beyond her reach. But her past caught up with her—and it would take her whole life burning down once again for Edie to be finally able to face the truth about herself, her family, and her relationship with God. Readers of *The Glass Castle* will treasure this refreshing and raw redemption story, a memoir for anyone who has ever hungered for home, forgiveness, and the safe embrace of a father's love.

Mah Jongg Mondays Fern Bernstein, 2019-04-10 Join Fern and a colorful cast of characters in her debut memoir titled *Mah Jongg Mondays*. Fern, married and a mother of three sons takes us into her modern middle-class suburban Long Island world where one day she gets the Big Idea to learn the Chinese tile game called mah jongg. Weekly games provide the setting for deep-seeded relationships to form around the mah jongg table. These Monday gatherings become a source of support and strength for Fern as her husband is diagnosed with cancer. Fear, insecurity and potential heart-wrenching loss become challenges she must overcome. The author weaves the themes of destiny, faith, friendship, time and love throughout the story. Fern takes us on her journey around the mah jongg table, eastward to the seaport town of Greenport and through her husband's battle with cancer as she relies on faith, friendship and her personal relationship with God. Read this heartwarming story about the wonderful things that can happen when five women are destined to come together to play an old Chinese game, sitting around a table with 152 tiles, dice and a mah jongg card. Love always; love all ways, for time has no guarantee.

Homer And Langley E. L. Doctorow, 2010-01-07 Brilliant brothers Langley and Homer Collyer are born into bourgeois New York comfort in settled times, their home a fin-de-siècle mansion on upper Fifth Avenue, their future rosy. But before he is out of his teens Homer begins to lose his sight, Langley returns from the War in Europe with his lungs seared by gas, and when the death of their parents in the influenza epidemic of 1918 leaves the brothers orphaned, they seem perilously ill-equipped to deal with the new era. Around Central Park carriages give way to motor cars, Prohibition to free love, but Homer and Langley adapt: their townhouse fills and empties and fills again, with servants, lodgers, tea-dancers and gangsters. They are mocked and spied on, embraced by hippies and besieged by bailiffs, but as the world turns ever more incomprehensible Homer and Langley hold fast to their principles of self-reliance, courage, kindness and love, and they endure.

Grey Gardens Scott Frankel, 2007 (Vocal Selections). A dozen songs & artwork from the acclaimed Broadway musical recounting the real lives of reclusive socialites the Beales. Includes: *Around the World * The Cake I Had * Choose to Be Happy * Daddy's Girl * Drift Away * Entering Grey Gardens * The Girl Who Has Everything * Will You? * more*. *Grey Gardens* received 10 Tony nominations!

The Happiest Man on Earth Eddie Jaku, 2022 Holocaust survivor Eddie Jaku made a vow to smile every day and

believed he was the 'happiest man on earth'. In his inspirational memoir, he paid tribute to those who were lost by telling his story and sharing his wisdom. 'Eddie looked evil in the eye and met it with joy and kindness . . . [his] philosophy is life-affirming' - Daily Express Life can be beautiful if you make it beautiful. It is up to you. Eddie Jaku always considered himself a German first, a Jew second. He was proud of his country. But all of that changed in November 1938, when he was beaten, arrested and taken to a concentration camp. Over the next seven years, Eddie faced unimaginable horrors every day, first in Buchenwald, then in Auschwitz, then on a Nazi death march. He lost family, friends, his country. The Happiest Man on Earth is a powerful, heartbreaking and ultimately hopeful memoir of how happiness can be found even in the darkest of times.

'Australia's answer to Captain Tom . . . a memoir that extols the power of hope, love and mutual support' - The Times

Letters of Little Edie Beale Walter Newkirk,2009 This book features transcripts of the most engaging and entertaining letters handwritten by Edie Beale from 1977-1987 and 2000-2001, up until a few months before Edie's death in 2002. During her lifetime, she wrote [the author] approximately 100 letters and cards. Letters of little Edie Beale : Grey Gardens and beyond is a sequel to memorabealeia : a private scrapbook about Little Edie Beale of Grey Gardens. -- From the introduction.

The Marble Faun Illustrated Nathaniel Hawthorne,2022-02-17 The Marble Faun is Hawthorne's most unusual romance, and possibly one of the strangest major works of American fiction. Writing on the eve of the American Civil War, Hawthorne set his story in a fantastical Italy. The romance mixes elements of a fable, pastoral, gothic novel, and travel guide. The climax comes less than halfway through the story, and Hawthorne intentionally fails to answer many of the reader's questions about the characters and the plot.

Castle of Dreams Elise McCune,2016-04-27 Growing up together in a mysterious castle in northern Queensland, Rose and Vivien Blake are very close sisters. But during the Second World War their relationship becomes strained when they each fall in love with the same dashing but enigmatic American soldier. Rose's daughter, Linda, has long sensed a secret in her mother's past, but Rose has always resisted Linda's questions, preferring to focus on the present. Years later Rose's granddaughter, Stella, also becomes fascinated by the shroud of secrecy surrounding her grandmother's life. Intent on unravelling the truth, she visits the now-ruined castle where Rose and Vivien grew up to see if she can find out more. Captivating and compelling, Castle of Dreams is about love, secrets, lies - and the perils of delving into the past...

One Last Lunch Erica Heller,2020 In this heartwarming collection edited by Joseph Heller's daughter, dozens of contributors imagine one last lunch with someone they cherished A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the chance to ask those unasked questions, or share those unvoiced feelings? In One Last Lunch, Heller, an acclaimed memoirist herself, has asked friends

and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

Edie's Little White Lie Chantal Bourgonje, David Hoskins, 2020-10-06 When Edie tells her best friend Kay that she loves her singing voice and how special it is, she isn't expecting Kay to run off and enter a talent show that she hasn't a hope of winning. Edie was only trying to cheer her up after Polecat Mac said how terrible Kay's voice was (and it's not good). Talent judges can be pretty cruel, and the audiences even worse. Will Kay blame Edie for her humiliation? Will their friendship even survive? Horace and Nim try to help out, but things look pretty grim for the well-meaning duck. This latest book in the Horace & Nim series is another gem, beautifully illustrated by Chantal Bourgonje, with a heart-warming story of friendship that children and parents alike will enjoy.

I Love You, Mummy Igloo Books, Melanie Joyce, 2013-04-01 Beautifully told stories with a moral ending Bright illustrations and easily recognisable characters Charming tales perfect for reading aloud Beautiful stories to capture children's imaginations Wonderful gifts

Long Time Coming Edie Claire, 2016-12-13 A ghostly romantic novel from USA-Today bestselling author Edie Claire. Years and distance kept the memories at bay. But back at home, the past is ready and waiting to haunt her...
