Modern Tort Law Vivienne Harpwood, 2005 The sixth edition of this well liked textbook provides a comprehensive update and a clear analysis of all aspects of the law of tort. Substantially revised since the last edition, this new edition maintains the popular student friendly style that seeks to explain the principles of tort law in an interesting and thought-provoking manner. Students are encouraged to understand and apply the principles effectively throughout. Particular attention is paid to areas of law that students find difficult, and to the context within which the law is evolving, making these topics accessible and enjoyable. Harpwood's concise legal analysis covers many hundreds of cases, and offers insights into developing areas of negligence, employers' liability, occupiers' liability, and defamation among others. Key features of this edition include: Clear, in-depth analysis of legal principles Detailed coverage and comment on cases Extensive discussion of recent House of Lords decisions including *Gregg v Scott* (2005), *Chester v Afshar* (2004), *Cambell v MGN* (2004), *Wainwright v Home Office* (2003), *Transco v Stockport MBC* (2003) and *Rees v Darlington Memorial NHS Trust* (2003) Comprehensive analysis of new trends and developments in this fast-moving area of law Discussion of policy issues Consideration of Human Rights issues in tort A contextual approach covering practical and institutional issues such as the Civil Procedure Rules 1998 Concise summaries at the end of each topic An invaluable textbook for those studying this core subject, *Modern Tort Law* is a succinct and relevant text suitable for all undergraduate modular courses.

Law for Non-Law Students Keith Owens, 2001-10-30 *Law for Non-Law Students* is written in a clear and readable style and aims to make the law understandable for readers at undergraduate or comparable level. It explains the practical influences under which the law has been formed, so that the student will be better able to understand why the law has developed in the way that it has. It gives lots of straightforward examples as to how the law works in practice and aims to equip students with the ability to appraise the effectiveness of the law in a particular circumstance rather than simply providing a list of rules for the student to regurgitate at exam time. The facts of the more important cases are given in some detail to enable the student to appreciate the range of factors which the court may have taken into account in reaching its decision. The new edition has been updated to take account of all recent developments, both in relation to statute and to case law. Certain chapters, particularly in the area of sale of goods, have been substantially rewritten and expanded in an attempt to give more detail, while at the same time remaining student-friendly. New chapters on Agency and Negligence have been

added. This new edition should be suitable for most courses which have a law element.

Consumer Sales Law John MacLeod, 2002-05-17 Consumer Sales Law expounds the law and practice relating to the English domestic (as opposed to international) supply of goods. The law is an amalgamation of civil and criminal law rules, both domestic and EC, and is examined here both in context and in

Principles of Law Relating to International Trade Nicholas Kouladis, 2006-01-11 This book, first entitled Principles of Law Relating to Overseas Trade, has been expanded, revised, repackaged and re-titled in this edition to provide a more accessible and relevant textbook on the subject. Commentary and references to new and classic cases are now in footnotes in the main text, for ease of reading. Imbued with careful research and practical experience it presents an attempt to form a concise and authoritative statement of the law affecting international trade.

Product Liability Jane Stapleton, 1994-02 An erudite and provocative work, Stapleton: Product Liability will be of keen interest to students and teachers on courses in tort, product liability, consumer law, EC law and the philosophical foundations of the common law.

International Product Liability [2007] Christian Campbell, 2007-10-29 International Product Liability, 2007 edition, with nearly 600 pages, offers contributions from 18 jurisdictions in Australasia, Europe, and North America. Expert practitioners clearly set out the liabilities and obligations of manufacturers, the defenses to and limitations of their liability, and the role of product liability insurance in international trade. The publication is replaced by updated volumes annually. Purchase of print version includes CD version and 24/7 online access. A 10% discount applies to a subscription for next year's update. A 25% discount applies to a subscription for three years of updates. Discounts are applied after purchase by rebate from publisher.

Law and Justice in Community Garrett Barden, Tim Murphy, 2010-08-19 The origins of civil society and the function of law -- Justice, ownership, and law -- Natural justice and conventional justice -- Justice and the trading order -- Adjudication and interpretation -- Morality, law, and legislation -- Natural law -- Rights -- The force of law -- The authority and legitimacy of law.

Principles of Commercial Law 2/e M. P. Furmston, 2001-05-23 Aiming to provide a clear and digestible introduction to the central areas of commercial law, this text sets out each topic in a self-contained, annotated section. Coverage includes: fundamentals of sale of goods contracts; law governing agency relationships; and consumer credit agreements.

Legal Skills Emily Finch, Stefan Fafinski, 2013-05-30 Legal Skills encompasses all the academic and practical legal skills essential to the law student in one manageable volume. It is an ideal text for first year law students and is also a valuable resource for those studying law at any level. Clearly structured in three parts, the book covers the full range of legal skills you will need to succeed from the beginning of your law degree, through your exams and assessments and into your future

career. The first part covers 'Sources of Law' and includes information on finding and using legislation, making sure you understand where the law comes from and how to use it. The second part covers 'Academic Legal Skills' and provides advice on general study and writing skills. This part also includes a section on referencing and avoiding plagiarism amongst a number of other chapters designed to help you through the different stages of your law degree. The third and final part is dedicated to 'Practical Legal Skills'; a section designed to help you to develop transferrable skills in areas such as presentations and negotiations that will be highly valued by future employers. The book contains many useful features designed to support a truly practical approach to legal skills. Self-test questions and diagrams are set in a user-friendly colour design. More extensive activities give you the opportunity to take a 'hands on' approach to tackling a variety of legal skills from using cases to negotiation. Each skill is firmly set in its wider academic and professional context to encourage an integrated approach to the learning of legal skills. Online Resource Centre Legal Skills is accompanied by an innovative online resource centre offering a range of resources to support teaching and learning. - Video clips of good and bad 'real life' moots in action bring the subject to life for students. - Practical exercises appear throughout the book so you can test yourself on your essay writing, problem solving, revision and exam skills. - Examples of good and bad answers to these exercises appear on the online resource centre providing insight into the varying approaches that can be taken to the same question with commentary on the strengths and weaknesses of each answer. - Lecturers can track student progress using an online bank of 200 multiple choice questions offering immediate answers and feedback that can be customised and loaded on to the university's VLE.

The Sale of Goods Michael G. Bridge, 1998 This book is a systematic analysis of the modern English law of domestic sale of goods, covering in detail the following aspects of sale of goods contracts: * formation and definitions * passing of property and risk * mistake and frustration * contents of the contract and implied terms * delivery and payment * termination for breach * exclusion clauses * remedies and transfer of title. Full treatment is given to proprietary matters and the significant reforms which have taken place in recent years including the Sale and Supply of Goods Act 1994, and the Sale of Goods (Amendment) Act 1995. The general law of contract is dealt with as it affects the special contract of sale, but export sales materials are treated only to the extent that they illustrate delivery and payment. The paperback edition also includes a new preface designed for the student reader, covering recent developments in the sale of goods. This thorough and comprehensive book will be a valuable resource for students of commercial law as well as academics and practitioners working in the area.

Commercial and Business Organizations Law in Papua New Guinea John Mugambwa, Harrison Amankwah, C.E.P. (Val) Haynes, 2007-08-07 A timely and apposite treatise on Papua New Guinea's economic environment, this book explores business organizations law and various aspects of commercial law in Papua New Guinea in a readable and informative style.

Business and commerce is the twin engine that propels the economy of a modern nation. They ensure steady economic growth and development. In an age of globalization, they assume even greater importance than at any other time in human history. A nation risks being marginalized or left behind in the race for a share of the world economic market unless it ensures the stability of its business and commercial sector. Trade regulation, good governance and democratic institutions go hand in hand in guaranteeing political and social equilibrium. As such the laws designed to facilitate trade and commerce are a vital component of the political and social equation. This is a valuable book for law students, legal practitioners, accountants and business executives, not only within Papua New Guinea, but also in Australia and throughout the South Pacific.

Cases and Materials on Sale of Goods John Adams, 2022-02-01 This book, first published in 1982, focuses on a specific area of commercial law: the Sale of Goods Act. The book contains key cases and statutes relating to the sale of goods, each prefaced by a contextualising introduction. Notes and questions are also included, as are the full texts of the Sale of Goods Act 1979 and the relevant parts of the Unfair Contract Terms Act 1977.

AS Law Mary Charman, Bobby Vanstone, Liz Sherratt, 2012-12-06 This latest edition of AS Law has been fully updated to meet the requirements of the most recent changes to the specifications of both AQA and OCR examination boards. Business Law Nickolas James, 2024-10-28 Designed specifically for business students, James' Business Law, 7th Edition provides a comprehensive introduction to the fundamentals of business law. Tailored to accommodate the initial encounter with legal principles for business students, this textbook offers a clear and accessible pathway into the realm of law. Unlike traditional texts from leading legal publishers, Business Law, 7th Edition prioritizes a practical approach, emphasizing real-world applications over doctrinal intricacies. By demystifying complex legal concepts and presenting them within a business-oriented framework, this textbook equips students with the necessary foundation to navigate the legal landscape with confidence.

Scholars of Tort Law James Goudkamp, Donal Nolan, 2019-10-03 The publication of Scholars of Tort Law marks the beginning of a long overdue rebalancing of private law scholarship. Instead of concentrating on judicial decisions and academic commentary only for what that commentary says about judicial decisions, the book explores the contributions of

scholars of tort law in their own right. The work of a selection of leading scholars of tort law from across the common law world, ranging from Thomas Cooley (1824-1898) to Patrick Atiyah (1931-2018), is addressed by eminent current scholars in the field. The focus of the contributions is on the nature of the work produced by each of the scholars in question, important influences on their work, and the influence which that work in turn had on thinking about tort law. The process of subjecting tort law scholarship to sustained analysis provides new insights into the intellectual development of tort law and reveals the important role played by scholars in that development. By focusing on the work of influential tort scholars, the book serves to emphasise the importance of legal scholarship to the development of the common law more generally.

Unlocking Torts Chris Turner, 2013-12-13 Tort law is a core element of every law degree in England and Wales. *Unlocking Torts* will ensure you grasp the main concepts with ease. This book explains in detailed, yet straightforward, terms: Negligence and negligence related torts including occupiers' liability and employers' liability Land based torts such as trespass, nuisance and Rylands v Fletcher Liability for animals Torts relating to goods Trespass to the person Defamation and other torts relating to reputation Economic torts, breach of a statutory duty, vicarious liability, defences and remedies The fourth edition is fully up to date with the major recent cases including major developments in vicarious liability. It also includes changes after the Defamation Act 2013. The *Unlocking the Law* series is designed specifically to make the law accessible. Each chapter opens with a list of aims and objectives, contains activities such as quick quizzes and self-test questions, key facts charts to consolidate your knowledge, and diagrams to aid learning. Cases and judgments are prominently displayed, as are primary source quotations. Summaries help check your understanding of each chapter, there is a glossary of legal terminology. New features include problem questions with guidance on answering, as well as essay questions and answer plans, plus cases and materials exercises. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units. The series website www.unlockingthelaw.co.uk provides free resources such as multiple choice questions, key questions and answers, revision mp3s and cases and materials exercises.

The Grand Experiment Hamar Foster, Benjamin L. Berger, A.R. Buck, 2009-07-01 The essays in this volume reflect the exciting new directions in which legal history in the settler colonies of the British Empire has developed. The contributors show how local life and culture in selected settlements influenced, and was influenced by, the ideology of the rule of law that accompanied the British colonial project. Exploring themes of legal translation, local understandings, judicial biography, and law at the boundaries, they examine the legal cultures of dominions in Canada, Australia, and New Zealand to provide a contextual and comparative account of the incomplete implementation of the British constitution in these colonies.

The White Book Service 2012 Volume 1 hardback and eBook ,

Street on Torts John Murphy, Christian Witting, Harry Street, 2012-03-08 Well-established and highly regarded, Street on Torts provides a detailed yet clear overview of tort law, with strong analysis of case law and contextualisation of individual torts. The highly praised broad coverage and logical structure are maintained, ensuring the book remains a classic 50 years after publication of the first edition.

Street on Torts Christian A. Witting, 2015 Street on Torts provides a scholarly and incisive treatment of the law of torts with a focus upon key concepts and clear explanations. This book builds upon the learning of its previous, celebrated authors and, nearly 60 years after publication of the first edition, is considered a classic exposition of the law of torts.
