Check! Your Guide to Creating a Life Transforming Bucket List G. Scott Graham,2016-10-13 Not Just a List. A Life Plan. Most bucket lists are forgettable. They're Pinterest wishboards, internet cut-and-pastes, or last-minute scribbles on New Year's Eve. They're full of stuff you think you should do—based on what the world expects—not what actually lights you up. Check! is not that kind of book. This is a step-by-step, structured process to design a bucket list that reflects your core values, your personal aspirations, and the kind of life you actually want to live. Created by career and life coach G. Scott Graham, this guide helps you move from vague ideas to specific goals—and then shows you how to prioritize, plan, and take action. You'll do far more than jot down dream destinations. You'll: Clarify what truly matters to you—not your friends, your feed, or your inner critic Break your goals down into “Have, Do, Be” insights that reveal what you're really after Eliminate goals driven by social pressure or performative achievement Analyze what each item requires—time, money, people—and sort accordingly Identify themes, patterns, and values that can guide the rest of your life This isn't a passive read. If you breeze through the pages without doing the exercises, your bucket list will be just another thing you forget about next week. But if you follow the process, you'll create something powerful: a vision that shapes your daily decisions and reorients your life toward what actually matters. Plus: Get a Free Coaching Session When you finish the book and complete your bucket list, you can schedule a free coaching session with the author. This isn't fluff—it's a real, no-strings-attached 30-minute session to help you move from planning to action. This book is for anyone ready to take the “someday” out of their goals and start building a life on purpose. Whether you're entering a new decade, navigating a major transition, or just feeling restless—it's time to stop dreaming and start designing.

DeadStar Nick Griffiths,2022-01-25 What's it like to reach for the stars, but end up floating in a tin can? Garth Tyson wanted to be the next David Bowie. He fell short. Waaaay short. Burnt out, he fled the stage at Glastonbury '85, having been

pelted with mud, and was never seen again. You're familiar with the stars of this era: the Adam Ants, Duran Durans and Depeche Modes - musicians who successfully navigated punk and New Wave to become icons. Bet you've never heard of Garth Tyson - singer, brother, dreamer. Stallholder. That's why we're here. Decades after Garth's disappearance, former bandmates, friends, relatives, lovers, music-biz execs and two fans (you try finding more) reunite to tell Garth's compelling, tragicomic tale. Can any shed light on what really happened to him? Not everyone appears willingly. Here's Garth's 80-year-old mother, Doreen Thyssen: 'I don't like people who dig dirt. Fuck off.' The charmer. Loved Daisy Jones? Try this perfectly squalid British version.
