## J. Dwight Pentecost

**2 Corinthians** Judith A. Diehl, 2020-05-05 A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is idea for pastors, students, Sunday school teachers, and all who want to understand the Bible in today's world. SGBC is organized into three easy-to-use sections, designed to help readers live out God's story: Listen to the Story; Explain the Story; and Live the Story. Praise for SGBC: The easy-to-use format and practical guidance brings God's grand story to modern-day life so anyone can understand how it applies today. -- Andy Stanley Opens up the biblical story in ways that move us to act. -- Darrell L. Bock It makes the text sing and helps us hear the story afresh. -- John Ortberg This commentary breaks new ground. -- Craig L. Blomberg

**Gospelbound** Collin Hansen, Sarah Eekhoff Zylstra, 2021-04-06 A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. “Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope.”—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it’s needed most for Christ’s glory and the common good. But there’s another story unfolding too—if you know where to look. In Gospelbound, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven’t heard the whole story. And that’s good news.

**Life's Problems - God's Solutions** J. Dwight Pentecost, Dr. Pentecost draws from his years of counseling experience to find answers in the Word of God to issues such as guilt, doubt, depression, and resentment.

**The Second Letter to the Corinthians** Mark A. Seifrid, 2014-11-09 The question that Paul set before the ancient church in Corinth -- Do you not recognize that Jesus Christ is in and among you? (2 Cor 13:5) -- remains a critical question for

the church today. This commentary by Mark Seifrid seeks to hear Paul's message afresh and communicate it to our time. Seifrid offers a unified reading of 2 Corinthians, which has often been regarded as a composite of excerpts and fragments. He argues that Paul's message is directed at the practical atheism of the Corinthian church -- the hidden heresy that assumes God's saving work in the world may be measured by outward standards of success and achievement. Like all of the Pillar volumes, Seifrid's commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application.

2 Corinthians, a Letter about Reconciliation Ivar Vegge, 2008 Ivar Vegge argues that Paul, in line with ancient moral philosophers, letter-writers, and rhetoricians, used idealized praise in 2 Cor 1-9, and particularly in 2 Cor 7:5-16, and blame or threats, especially in 2 Cor 10-13, to promote reconciliation between the Corinthians and Paul as apostle.--BOOK JACKET.

*Paul* Douglas A. Campbell, 2018-01-18 Douglas Campbell has made a name for himself as one of Paul's most insightful and provocative interpreters. In this short and spirited book Campbell introduces readers to the apostle he has studied in depth over his scholarly career. Enter with Campbell into Paul's world, relive the story of Paul's action-packed ministry, and follow the development of Paul's thought throughout both his physical and his spiritual travels. Ideal for students, individual readers, and study groups, *Paul: An Apostle's Journey* dramatically recounts the life of one of early Christianity's most fascinating figures—and offers powerful insight into his mind and his influential message.

**1 Corinthians** John F. MacArthur, 2015-12-29 As the gospel spreads to the far corners of the earth, the apostle Paul is under mounting pressure to provide direction to maturing churches before they go astray. It's with this urgency that Paul covers many topics that are especially relevant in today's society. Pastor John MacArthur will take you through the first letter to the church in Corinth to show how this church in particular allowed their worldliness to affect the church's priority of spreading the gospel—and how Paul's response gives Christians black-and-white boundaries in a gray world. As Paul explains doctrinal truths directly relating to sin and righteousness, he outlines a foundation for godly behavior. Paul's letter is a valuable tool of correction and encouragement for believers—then and now—to be alert, firm, mature, strong, and loving. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

**Evidence Unseen** James Rochford, 2013-05-20 *Evidence Unseen* is the most accessible and careful though through response to most current attacks against the Christian worldview.

*When Bad Things Happen to Good People* Harold S Kushner,2011-06-01 There is only one question which really matters: why do bad things happen to good people?' Out of a faith-shaking and senseless waste of a life comes this remarkable and caring book, which will help many. It has sensible and unorthodox and mind-opening things to say about God - and about ourselves. Its author has wisdom and no bitterness. We can learn from him, about acceptance and guilt and despair and the helplessness we all feel when 'none of it makes sense' when we say 'why them?' or worse 'why us?'. We owe him our thanks' David Kossoff 'Rabbi Kushner writes from a wealth of Jewish wisdom and pastoral devotion, but his theology is, I find, is wholly in keeping with contemporary Christian thought. So far as there is an answer to the conflict between the goodness of God and the bitterness of suffering, this is it' Gerald Priestland 'It will bring new meaning, strength and hope to many' Dame Cicely Saunders, DBE, FRCP

**Hand Me Another Brick** Charles R. Swindoll,1998-10-16 Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.

Vital New Testament Issues Roy Check B. Zuck, 2006-09-05 Vital New Testament Issues Vital . . . pertaining to life; essential; of critical importance. New Testament . . . the covenant of God with man embodied in the coming of Christ, his teachings, and that of his followers as set forth in the Bible. Issues . . . a point or matter, the decision of which is of special or public importance. A dictionary can define the terms, but tackling the tough texts and difficult issues of Old Testament studies requires skillful study and balanced reflection upon the whole of Scripture. *Vital New Testament Issues: Examining New Testament Passages and Problems* draws upon the insights and study of numerous evangelical scholars and writers to address crucial interpretative questions. Some of the chapters included are *The End of the Law* by Charles C. Ryrie *Tongues and the Mystery Religions of Corinth* by H. Wayne House *Do the Synoptics Depend on Each Other?* by Charles H. Dyer Christian readers, church leaders, and pastors will appreciate the helpful scholarship of *Vital New Testament Issues*.

Keys to First Corinthians Jerome Murphy-O'Connor, 2009-02-12 Jerome Murphy-O'Connor's reputation as a recognized expert on the Corinthian correspondence has been built on the original solutions he has offered to perennial problems. Brought together for the first time in one volume, each of the sixteen articles anthologised here deals with one or more verses in 1 Corinthians that have baffled scholars for generations. Throughout the collection the author dialogues with the opinions of colleagues, responding to and building on their accurate observations, and explaining in detail why certain solutions are viable whilst others are implausible. A newly written 'reception history' has been appended to each article to bring the collection completely up to date. Although not a commentary on 1 Corinthians, this volume deals thoroughly with all the major problems of the most interesting of the Pauline letters.

**1 Samuel** John F. MacArthur,2000-07-01 These first four study guides in a 16-volume set from noted Bible scholar John MacArthur take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are an invaluable tool for Bible students of all ages.

2 Corinthians 8 and 9 Hans Dieter Betz,1985

*Man and Woman, One in Christ* Philip Barton Payne,2015-05-05 Does Paul teach a hierarchy of authority of man over woman, or does he teach the full equality of man and woman in the church and home? In *Man and Woman, One in Christ*, Philip Barton Payne answers this question and more, injecting crucial insights into the discussion of Paul's view of women. Condensing over three decades of research on this topic, Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology. Payne's exegetical examination of the Pauline corpus is thorough, exploring the influences on Paul, his practice as a church leader, and his teachings to various Christian communities. Paul's theology, instruction, and practice consistently affirm the equal standing of men and women, with profound implications for the church today. *Man and Woman, One in Christ* is required reading for all who desire to understand the meaning of Paul's statements regarding women and their relevance for Christian relationships and ministry today. This work has the potential of uniting the church on this contentious issue.

*Fiery Darts* Janet Warren,Janet Warren Lane,2016-11-02 Janet Warren Lane has been a Christian for 54 years, a school teacher for 15 years, a minister's wife for 33 years, a mother of four grown and married children who are all involved in ministry and/or missions, and a grandmother of 8 and counting! For most of that time she was unaware of Satan's most formidable weapon used against Christians - Fiery Darts. Since becoming aware of this weapon, Satan's motives for using it, and how to wield the power of God's Word against it, Janet's release from years of captivity has been wondrously secured. Most people agree that negative thinking can have a debilitating effect on a person's life. But just knowing this does little to help combat such thinking. By comparing negative thinking to the weapon of fiery darts, Janet exposes the weapon and the tactics used by Satan to manipulate. After the weapon and its tactics are exposed, detailed instructions are given as to how to counter-attack and live life free from the bondage negative thinking can impose.
