**The Little Engine That Could** Watty Piper,2020-06-23 The special anniversary edition of The Little Engine That Could™ contains the entire text and original artwork. Young readers, as well as parents and grandparents, will treasure the story of the blue locomotive who exemplifies the power of positive thinking.

*I Can Fly* Steve Weaver,2024-04-29 In this book are the confessions of a born flyer who always seems to know a tiny bit less than he needs as each chapter of his career unfolds. Naivety, and a positive attitude so strong it often overpowers common sense, join to make 'I Can Fly' a fascinating read.

**The Spider and the Fly** Tony DiTerlizzi,2012 'A gleefully sinister fable'--Lane Smith--Back cover.

**Believing You Can Fly** Jacquelyn Gaines,2008-11

**Why Can't I Fly?** Rita Golden Gelman,1986 Millie the monkey wanted to fly.

**This Kid Can Fly: It's About Ability (NOT Disability)** Aaron Philip,2016-02-16 At once beautiful and heartbreaking, Aaron Philip found a way to make me laugh even as I choked up, found a way to bring on my empathy without ever allowing me to feel sorry for him. An eye-opening debut. —Jacqueline Woodson, National Book Award winner and Newbery Honor author of *Brown Girl Dreaming* In this heartbreaking and ultimately uplifting memoir, Aaron Philip, a fourteen-year-old boy with cerebral palsy, shows how he isn't defined so much by his disability as he is by his abilities. Written with award-winning author Tonya Bolden, *This Kid Can Fly* chronicles Aaron's extraordinary journey from happy baby in Antigua to confident teen artist in New York City. His honest, often funny stories of triumph—despite physical difficulties, poverty, and other challenges—are as inspiring as they are eye-opening. Includes photos and original illustrations from Aaron's personal collection.

What I Believe Richard Michael White,2010-12 A blue print on the steps that must be taken to make America great again.--Page viii.

*Lyrics of My Life Book of Poems* Tiffany Singletary,2024-03-18 Jesus Heals a Deaf and Mute Man Then Jesus left the

vicinity of Tyre and went through Sidon, down to the Sea of Galilee and into the region of the Decapolis. There some people brought to him a man who was deaf and could hardly talk, and they begged Jesus to place his hand on him. After he took him aside, away from the crowd, Jesus put his fingers into the man's ears. Then he spit and touched the man's tongue. He looked up to heaven and with a deep sigh said to him, Ephphatha! (which means Be opened!). At this, the man's ears were opened, his tongue was loosened and he began to speak plainly. Jesus commanded them not to tell anyone. But the more he did so, the more they kept talking about it. People were overwhelmed with amazement. He has done everything well, they said. He even makes the deaf hear and the mute speak. (Mark 7:31-37 NIV)

The Secret of Ella and Micha Jessica Sorensen,2013-02-12 If you loved Beautiful Disaster then you're ready to discover . . . The Secret of Ella and Micha A rule-breaker with a fiery attitude, Ella always wore her heart on her sleeve. Then she left everything behind to go to college, where she transformed into someone who follows the rules, keeps everything together, and hides all her problems. Now it's summer break and she has nowhere else to go but home. But once there, Ella fears that everything she's worked so hard to bury might resurface-especially with Micha living right next door. Smart, sexy, and confident, Micha can get under Ella's skin like no one else. He knows everything about her, including her darkest secrets. If he tries to tempt the old Ella to return, he will be impossible to resist. But what Ella doesn't realize is that when she left, she took a piece of Micha's heart with her. Now he's determined to win back the girl he lost, no matter what it takes.

Flight Pay United States. Congress. House. Committee on Armed Services. Subcommittee No. 4,1974

The Girl Who Could Fly Victoria Forester,2008-06-24 You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops. Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed. The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed. Stephenie Meyer, author of the Twilight saga In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The

story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good.--Booklist, Starred Review Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society.--The Horn Book Review *The Girl Who Could Fly* is a 2009 Bank Street - Best Children's Book of the Year.

**Toasting the Bride** Benneth Nnaedozie Okpala,2003 In the matter of personal experience, I am qualified to write about Africa & about America as well. In me, the phrase African-American is alive with vivid experiences. I have spent equal halves of my eventful life in Africa & in the USA. I have citizenship in both worlds & have been uniquely impacted by both through bouts of traumatic experiences. Presently & continuing, one-America-gets to house my body; the other-Africa- my soul. In the ensuing strange marriage of the two cultures, the line between the bride & bridegroom is fluid at best. I can, therefore, constructively praise &/or criticize both, interchangeably, w/ civilized equanimity & without fear, favor/shame. I can Toast the Bride, specific circumstance warranting. The book is to inform & to query alike. Although the material presented is predominantly a product of the African culture, it is not parochially African in its view of human life & Nature; nor in the content of the personal experiences presented. The book draws heavily from the literary wisdoms of philosophers to articulate the language & extract a body of knowledge suitable for describing, & coincidental to expressing, the deeper side of personal life experiences. It also juxtaposes traditional African spiritual idealism with modern American material realism to establish context. The reader is not to equate the different chapters as simple matching titles of the knowledge they contain. Although these chapters are meaningful & intelligible in themselves, the reader is persuaded to accumulate them progressively as the background necessary for understanding the relation of each to the whole. *Toasting the Bride* challenges the reader to know more about certain naked hypocrisies of the American legal system & to formulate educated personal opinions about the American social culture and to imbibe some universal lessons of life by partaking in the more vivid accounts of my personal experiences; & by pondering on the harder questions of living.

*Cowboys Can Fly* Ken Smith,2010 A classic story of gay adolescence.

The Book about Friends, Stars, and Oceans Darya Jandossova,2009-08

Mato Oput Dinah Senkungu Walusimbi,2012-01-31 Kidega is a former child soldier who grew up in Acholiland, in the village of Acaya. All Kidega ever dreamed of was playing football for Kampala City Council F.C. (KCC) just like Latigo. (Latigo originates from Kitgum District in Northern Uganda; he captivated the nation with his football [soccer] talent. What Michael Jordan achieved in basketball, Latigo achieved in soccer.) But then, at the age of thirteen, Kidega's life was eclipsed by the

death of his family and his abduction and training as a soldier. Kidega undergoes Mato Oput, a cleansing ceremony, in his journey of forgiveness and reconciliation. Kidega remembered Ladit Naptali Ocoo's words: It is possible to break the cycle of hate and revenge. It is possible to find peace again. As Kidega stood there, on the edge of his new life, with the pain and devastation of the past behind him, he knew, finally, that this was true.
