Eating Europe Jon Volkmer,2006-09-08 Jon and Janet’s European adventure is shattered by world events—not the trip itself, but the telling of it. The Power of Geography Tim Marshall,2021-11-09 From the author of the New York Times bestseller Prisoners of Geography, a fascinating, “refreshing, and very useful” (The Washington Post) follow-up that uses ten maps to explain the challenges to today’s world powers and how they presage a volatile future. Tim Marshall’s global bestseller Prisoners of Geography offered us a “fresh way of looking at maps” (The New York Times Book Review), showing how every nation’s choices are limited by mountains, rivers, seas, and walls. Since then, the geography hasn’t changed, but the world has. Now, in this “wonderfully entertaining and lucid account, written with wit, pace, and clarity” (Mirror, UK), Marshall takes us into ten regions set to shape global politics. Find out why US interest in the Middle East will wane; why Australia is now beginning an epic contest with China; how Turkey, Saudi Arabia, and the UK are cleverly positioning themselves for greater power; why Ethiopia can control Egypt; and why Europe’s next refugee crisis looms closer than we think, as does a cutting-edge arms race to control space. Innovative, compelling, and delivered with Marshall’s trademark wit and insight, this is “an immersive blend of history, economics, and political analysis that puts geography at the center of human affairs” (Publishers Weekly).

Or looking for a big bank of questions for a pub quiz/quiz night? Here's what you will discover with this book: 720 multiple choice questions: Choose from 4 possible answers from each question. Unlike other quiz books we have seen out there - possible answers in The Ultimate Geography Quiz book are meant to be challenging and the possible answers are well researched to truly make you think - see below for more details. Challenging questions throughout: Made to really engage the brain cells, even for the die-hard geographers! Child/Family friendly questions: No sensitive topics are asked about within this book. Tackle the quiz alone, with your partner, or make it a social event with your friends and family! Quizzes are great on commutes, and long drives - and equally as great as a social fun event for friends and family. You cannot go wrong with a quiz night! This book makes a perfect gift for adults and children with an interest in geography. Recommend age 12+ Question topics within The Ultimate Geography Quiz include, but not limited to: Country and continent names, size, borders and locations respective to each other. Mountain, mountain heights, mountain range and volcano names and their locations. Ocean, seas, marginal seas, and their locations respective to each other City, building, landmark and capital city names and location. Deserts, forests, jungles, glaciers! Country size, flags, language currency, religion, climate and population. Flag,

flag colors, other flag attributes. Physical Geography jargon. World record facts regarding geography. Challenging multiple choice questions: We have seen several quiz books that have a poor selection of multiple choice questions, such as example below... What is the highest mountain in Turkey? A Mt. Whitney B Mt. Everest C Mt. Ararat D Mt. Cook Whilst this question is somewhat tricky in itself, the answers given allow most geographers to eliminate the 3 wrong answers quickly to come up with answer C. Instead of this approach, we have kept the quiz more like shown below to make this strategy of quizzing harder for the challenger... What is the highest mountain in Turkey? A Mt. Elbrus B Mt. Davamond C Mt. Ararat D Mt. Bazarduzu Although it may be easy for some seasoned geographers, this question, by the choices given is harder for the most part, and will hopefully trigger more conversation/thought before answering. This quizbook is meant to be opened on a relaxing weekend; or on a journey; or to be read with loved-ones on a beautiful spring day. Most of the topics that I have included are also the topics I am really interested in.
