This beautifully photographed book examines the three-dimensional geometric designs she is famous for. Fuse, often referred to as the queen of origami, discovered the art of folding paper at just seven years old. She has come a long way since then, having had her work highlighted in exhibitions around the world, including Paris Origami (Carrousel du Louvre, 1998), On Paper (Crafts Council London, 2002) and her solo show Yorokobi (Bauhaus Dessau, 2004). In addition to teaching, folding and writing, she also collaborated with designer Denis Guidone for Milan Design Week 2018 and was a featured artist in Nova's episode The Origami Revolution (February, 2017). An artistic anthology of her most impressive work, Tomoko Fuse's Origami Art can serve multiple purposes: as inspiration for an experienced origami folder; as a truly impressive coffee table book for the artistically-minded; or as a push for intermediate folders to try their hand at modular origami models.

The works in the catalogue, drawn from public and private collections in Japan, include 34 officially designated National Treasures and 64 Important Cultural Properties, the largest number ever to be shown together at one time. Dating from the 5th to the early 20th century, these majestic objects offer a complete picture of samurai culture and its unique blend of the martial and the refined. Many of the greatest Japanese swordsmiths are represented in this volume, from early masters such as Yasuie (12th century) and Tomomitsu (14th century) to the Edo-period smiths Nagasone Kotetsu and Kiyomaro. The blades by these and other masters, cherished as much for their beauty as for their cutting efficiency, were equipped with elaborate hilts and scabbards prized for their exquisite craftsmanship and fine materials such as silk, rayskin, gold, lacquer, and certain alloys unique to Japan. Japanese armor is also fully surveyed, from the rarest iron armor of the Kofun period (5th century) to the inventive ceremonial helmets made toward the end of the age of the samurai. --Book Jacket.
