The Encyclopedia of Ailments and Diseases Jacques Martel,2020-11-17 A comprehensive reference and healing tool to address the emotional and psychological causes of illness • Uncovers the conflicted conscious or unconscious feelings, thoughts, and emotions at the root of nearly 900 ailments and diseases • Details a unique Integration and Acceptance Technique for accessing information through the heart and thereby starting the healing process for emotions and feelings • Provides positive affirmations to effect change for each ailment and disease What if your body used a secret language to talk to you? What if an ailment or illness was your body's way to shout for help, to make you understand that you need to change your thoughts, emotions, feelings, and behaviors? Your body wants you to become aware of the stress that you carry, conscious or not, so you can release unmanaged past and present emotions and the physical complaints that accompany them. Compiling years of research and the results of thousands of cases he encountered in his private practice and during workshops over the past 30 years, Jacques Martel explains how to read and understand the body's language of disease and imbalance. In this encyclopedia, he shows how body language reveals specific thoughts, feelings, and emotions that are at the source of nearly 900 different ailments and diseases. The author also details his Integration and Acceptance Technique, which enables healing information to bypass the brain and connect directly with the heart. This technique disables the source of the conflict, conscious or not, that could be at the root of an illness, behavior, or condition and improves the chances of true healing. This comprehensive manual offers a tool to help each of us become, to some extent, our own doctor or therapist, get to know ourselves better, and recover health and well-being physically, emotionally, mentally, and spiritually. For practitioners and therapists, this remarkable reference tool provides invaluable insights and prompts for healing.

Zenobia Gellu Naum,1995 A full-length novel by a member of the Romanian literary avant-garde, *Zenobia* is the evocation of the singular quest of a Surrealist knight-errant who strives to be true to the gentle demands of his lady in a landscape of snares, desolation, incipient madness, and material poverty magically interrupted by moments of extreme beauty. Love, in all its intimate, carnal communion, lights the path through the dark forest, the streets of Bucharest, and the desert swamps. The narrator, speaking from the depths of love and despair, invites the reader to share his quest.

Love in Lowercase Francesc Miralles,2016-01-26 A feel-good novel for fans of *A Man Called Ove* and *The Rosie Project*, about an eccentric, language-loving bachelor and the cat that opens his eyes to life’s little pleasures *The Silver Linings Playbook* author Matthew Quick: “A delightfully absurd, life-affirming celebration. I literally stood up and cheered as I read the last page.” When Samuel, a lonely linguistics lecturer, wakes up on New Year’s Day, he is convinced that the year ahead will bring nothing more than passive verbs and un-italicized moments—until an unexpected visitor slips into his Barcelona apartment and refuses to leave. The appearance of Mishima, a stray, brindle-furred cat, becomes the catalyst that leads Samuel from the comforts of his favorite books, foreign films, and classical music to places he’s never been (next door) and to people he might never have met (a neighbor with whom he’s never exchanged a word). Even better, the Catalan cat leads him back to the mysterious Gabriela, whom he thought he’d lost long before, and shows him, in this international bestseller for fans of *The Rosie Project*, *The Solitude of Prime Numbers*, and *A Man Called Ove*, that sometimes love is hiding in the smallest characters.

A German Officer in Occupied Paris Ernst Jünger,2019-01-22 Ernst Jünger was one of twentieth-century Germany’s most important—and most controversial—writers. Decorated for bravery in World War I and the author of the acclaimed western front memoir *Storm of Steel*, he frankly depicted war’s horrors even as he extolled its glories. As a Wehrmacht captain during World War II, Jünger faithfully kept a journal in occupied Paris and continued to write on the eastern front and in Germany until its defeat—writings that are of major historical and literary significance. Jünger’s Paris journals document his Francophile excitement, romantic affairs, and fascination with botany and entomology, alongside mystical and religious ruminations and trenchant observations on the occupation and the politics of collaboration. While working as a mail censor, he led the privileged life of an officer, encountering artists such as Céline, Cocteau, Braque, and Picasso. His notes from the Caucasus depict the chaos after Stalingrad and atrocities on the eastern front. Upon returning to Paris, Jünger observed the French resistance and was close to the German military conspirators who plotted to assassinate Hitler in 1944. After fleeing France, he reunited with his family as Germany’s capitulation approached. Both participant and commentator, close to the horrors of history but often distancing himself from them, Jünger turned his life and experiences into a work of art. These wartime journals appear here in English for the first time, giving fresh insights into the quandaries of the twentieth century from the keen pen of a paradoxical observer.

And sure enough the friends remember events entirely differently, whether it be an acorn rolling competition or crossing a stream ('You fell in!' says Hedgehog. The Big Green Tent Ludmila Ulitskaya,2015-11-10 “The Big Green Tent, for all its grand ambition, manages an intimacy that can leave a reader reeling . . . a masterpiece.” —Colin Dwyer, NPR With epic breadth and intimate detail, Ludmila Ulitskaya’s remarkable novel tells the story of three school friends who meet in Moscow in the 1950s and go on to embody the heroism, folly, compromise, and hope of the Soviet dissident experience. These three boys—an orphaned poet; a gifted pianist; and a budding photographer with a talent for collecting secrets—struggle to reach adulthood in a society where their heroes have been censored and exiled. Rich with love stories, intrigue, and a cast of dissenters and spies, *The Big Green Tent* offers a panoramic survey of life after Stalin and a dramatic investigation into the prospects for individual integrity in a society defined by the KGB. Each of the central characters seeks to transcend an oppressive regime through art, literature, and activism. And each of them ends up face-to-face with a secret police that is highly skilled at fomenting paranoia, division, and self-betrayal. Ludmila Ulitskaya’s novel is a revelation of life in dark times. “As grand, solid and impressively all-encompassing as the title implies . . . Ulitskaya's readers will find it hard not to imagine themselves in her characters' place, to ponder what choices we'd make in similar situations.” —Lara Vapnyar, *The New York Times Book Review* “A gripping tale.” —Leonid Bershidsky, *The Atlantic* “Compelling, addictive reading.” —Masha Gessen, *The New Yorker* “[Ulitskaya] writes page-turners that just happen to be monumentally important.” —Boris Kachka, *New York magazine* “Worthy of shelving alongside *Doctor Zhivago*: memorable and moving.” —Kirkus Reviews, starred review
