Jane Austen

PERSUASION Jane Austen, 2021-01-08 Persuasion is a novel written by a famous British writer Jane Austen. It is a story about the life of Anne Elliot, a middle daughter of baronet Sir Walter, a spender and bluffer. Due to these features of his character, he found himself in a difficult financial position. He has to rent a family estate Kellynch Hall in order to pay his debts. Meanwhile, his most smart and considerate daughter Anne goes to Uppercross to look after a sick sister. In the days of her youth she was mutually in love with Frederick Wentworth, but because of a fear of a poor marriage, “reasons of conscience” and on the insistence of a “family friend” Lady Russel Anne stopped her relationship with him. But now after eight years, some incredible coincidence happens. The family that rents Kellynch Hall is related to Frederick Wentworth. Is the old-time love still alive in the hearts of Anne and Frederick?

Persuasion Jane Austen, 2016-05-01 Anne Elliot was once engaged to Captain Frederick Wentworth, but she broke off the engagement when a family friend persuaded her that it was an imprudent match. Several years later, Captain Wentworth returns from the Napoleonic Wars, but his seeming indifference towards Anne convinces her that it is too late to win him back. Meanwhile, the charming Mr. Elliot—Anne's cousin and her father's heir to Kellynch Hall—plots to marry her to ensure he remains the sole heir to the family estate. Will Captain Wentworth rediscover his feelings for Anne, or will she be forced to marry the scheming Mr. Elliot? English author Jane Austen wrote this novel of manners in 1816, one year before her death at the age of 41. This unabridged version of her last completed novel is taken from the 1818 copyright edition.

It is a timeless tale of love and redemption that continues to captivate readers today. The novel is an important contribution to the literary canon, offering a nuanced portrayal of social norms and gender roles in Regency England.

The Persuasion of Miss Jane Austen Shannon Winslow,Micah D. Hansen,2014-08-07 What if the tale that Jane Austen told in her last, most poignant novel was actually inspired by momentous events in her own life? Did she in fact intend *Persuasion* to stand forever in homage to her one true love? While creating *Persuasion*, Jane Austen also kept a private journal in which she recorded the story behind the story--her real-life romance with a Navy captain of her own...the official record says that Jane Austen died at 41, having never been married. But what if that's only what she wanted people to believe?--Back cover.

Persuasion Jane Austen,2011-06-28 Jane Austen's beloved and subtly subversive final novel of romantic tension and second chances. Now a motion picture from Netflix starring Dakota Johnson and Henry Golding, and a TikTok Book Club Pick. *Persuasion* tells the story of Anne Elliot, a woman who – at twenty-seven – is no longer young and has few romantic prospects. Eight years ago, she was persuaded by her friend Lady Russell to break off her engagement to Frederick Wentworth, a handsome naval captain with neither fortune nor rank. When Anne and Frederick meet again, he has acquired both, but still feels the sting of her rejection. A brilliant satire of vanity and pretension, Austen's last completed novel is also a deeply felt and relatable love story tinged with the heartache of missed opportunities. The Course of Love Alain de Botton, 2016-06-14 Traces the way original ideals about romance change in the face of real-world challenges, exploring the relationship of Rabih and Kirsten, who endure life-affirming philosophical and psychological compromises after marrying and having children.

The Scar Sergey Dyachenko, Marina Dyachenko, 2012-02-28 Reaching far beyond sword and sorcery, *The Scar* is a story of two people torn by disaster, their descent into despair, and their reemergence through love and courage. Sergey and Marina Dyachenko mix dramatic scenes with romance, action and wit, in a style both direct and lyrical. Written with a sure artistic hand, *The Scar* is the story of a man driven by his own feverish demons to find redemption and the woman who just might save him. Egert is a brash, confident member of the elite guards and an egotistical philanderer. But after he kills an innocent student in a duel, a mysterious man known as The Wanderer challenges Egert and slashes his face with his sword, leaving Egert with a scar that comes to symbolize his cowardice. Unable to end his suffering by his own hand, Egert embarks on an odyssey to undo the curse and the horrible damage he has caused, which can only be repaired by a painful journey down a long and harrowing path. Plotted with the sureness of Robin Hobb and colored with the haunting and ominous imagination of Michael Moorcock, *The Scar* tells a story that cannot be forgotten. Persuasion By Jane Austen (Fictional & Romantic Novel) "The Complete Unabridged & Annotated Edition" Jane Austen, 2020-05 *Persuasion* is the last novel fully completed by Jane Austen. It was published at the end of 1817, six months after her death. The story concerns Anne Elliot, a young Englishwoman of 27 years, whose family is moving to lower their expenses and get out of debt, at the same time as the wars come to an end, putting sailors on shore. They rent their home to an Admiral and his wife. The wife's brother, Navy Captain Frederick Wentworth, had been engaged to Anne in 1806, and now they meet again, both single and unattached, after no contact in more than seven years. This sets the scene for many humorous encounters as well as a second, well-considered chance at love and marriage for Anne Elliot in her second bloom. The novel was well-received in the early 19th century. Greater fame came later in the century, continued in the 20th century, and through to the 21st century. Much scholarly debate on Austen's work has since been published. Anne Elliot is noteworthy among Jane Austen's heroines for her relative maturity. As *Persuasion* is Austen's last completed novel, it is accepted as her most maturely written novel showing a refinement of literary conception indicative of a woman approaching

forty years of age. Unlike *Sense and Sensibility* and *Pride and Prejudice*, the novel *Persuasion* was not rewritten from earlier drafts of novels which Austen had originally started before 1800. Her use of free indirect discourse in narrative was by 1816 fully developed and in full evidence. The first edition of *Persuasion* was co-published with the previously unpublished *Northanger Abbey*, written in 1803; later editions of both were published separately. Popular acceptance of the novel was reflected by two notable made-for-television filmed adaptations released first in Britain: Amanda Root starred in the lead role in the 1995 version co-starring Ciarán Hinds, and was followed by Sally Hawkins in the 2007 version made for ITV1 co-starring Rupert Penry-Jones.

Unabridged (100% Original content) Font adjustments & biography included Illustrated About *Persuasion* by Jane Austen *Persuasion* is Jane Austen's last completed novel, published posthumously. She began it soon after she had finished *Emma* and completed it in August 1816. *Persuasion* was published in December 1817, but is dated 1818. The author died earlier in 1817. As the Napoleonic Wars come to an end in 1814, Admirals and Captains of the Royal Navy are put ashore, their work done. Anne Elliot meets Captain Frederick Wentworth after seven years, by the chance of his sister and brother-in-law renting her father's estate, while she stays for a few months with her married sister, living nearby. They fell in love the first time, but she broke off the engagement. Besides the theme of persuasion, the novel evokes other topics, with which Austen was familiar: the Royal Navy, in which two of Jane Austen's brothers rose to the rank of admiral; and the superficial social life of Bath. It is portrayed extensively and serves as a setting for the second half of *Persuasion*. In many respects, *Persuasion* marks a break with Austen's previous works, both in the more biting, even irritable satire directed at some of the novel's characters and in the regretful, resigned outlook of its otherwise admirable heroine, Anne Elliot, in the first part of the story. Against this is set the energy and appeal of the Royal Navy, which symbolises for Anne and the reader the possibility of a more outgoing, engaged, and fulfilling life, and it is this worldview which triumphs for the most part at the end of the novel. *Persuasion* is linked to *Northanger Abbey* not only by the fact that the two books were originally bound up in one volume and published together, but also because both stories are set partly in Bath, a fashionable city with which Austen was well acquainted, having lived there from 1801 to 1805.

Persuasion Jane Austen, 2017-02-24 1909 edition, with 24 color illustrations by C.E. Brock *Persuasion* is Jane Austen's last completed novel. She began it soon after she had finished *Emma* and completed it in August 1816. She died, aged 41, in

1817; Persuasion was published in December of that year (but dated 1818). Persuasion is linked to Northanger Abbey not only by the fact that the two books were originally bound up in one volume and published together, but also because both stories are set partly in Bath, a fashionable city with which Austen was well acquainted, having lived there from 1801 to 1805. Besides the theme of persuasion, the novel evokes other topics, such as the Royal Navy, in which two of Jane Austen's brothers ultimately rose to the rank of admiral. As in Northanger Abbey, the superficial social life of Bath--well known to Austen, who spent several relatively unhappy and unproductive years there--is portrayed extensively and serves as a setting for the second half of the book. In many respects, Persuasion marks a break with Austen's previous works, both in the more biting, even irritable satire directed at some of the novel's characters and in the regretful, resigned outlook of its otherwise admirable heroine, Anne Elliot, in the first part of the story. Against this is set the energy and appeal of the Royal Navy, which symbolises for Anne and the reader the possibility of a more outgoing, engaged, and fulfilling life, and it is this worldview which triumphs for the most part at the end of the novel.

The Curate's Brother Wendy Van Camp, 2015-01-28 *The Curate's Brother* is a short story about the relationship between the two Wentworth brothers as seen through the eyes of EDWARD WENTWORTH. It follows their romantic antics over one summer in 1806. This short story could be seen as a prequel to Jane Austen's famous novel *Persuasion*. Edward Wentworth lives a quiet, structured life as a curate in the regency era village of Monkford. He spends his days ministering to the sick and downhearted, which he considers his life's calling. His comfortable life is shaken when his elder brother, COMMANDER FREDERICK WENTWORTH arrives on his doorstep for a visit. Frederick has returned to England after seeing action and commanding his first vessel, a prize ship won in the West Indies. He is awaiting orders and has the hope of commanding a ship of his own by the end of summer. His only goal is to pass the time with the only family he has left in England until his next assignment. At first Edward is glad to see his brother. They have not spent time with each other for years due to his brother's naval service. They are opposites in many ways. Frederick is bold and likes to take risks. Edward is shy and over-aware of social implications. When his brother flirts with SALLY MARSHALL, an outgoing beauty that Edward is used to viewing as a child, the young curate becomes aware that his viewpoint of Sally is sorely outdated. His peaceful life is full of turmoil as he observes Sally flirting with men at public assemblies and realizes that he does not like it. Meanwhile, Frederick finds himself a celebrity in Monkford. Word from the London papers paint him as the Hero of San Domingo, where

he won a commendation for his quick thinking in action. The men want to hear the story of his exploits, but Frederick would rather dance with the ladies. The Commander takes an interest in shy wallflower, ANNE ELLIOT. He pays no heed to Edward's warnings that the girl is the daughter of a baronet and well above his station. Edward fears that no good will come of a union between his brother and the girl due to her family connections. At the end of summer, a letter and a package arrive that will change everything for the two brothers. Which way will prevail, the bold action of the commander or the quiet manners of the curate?
