Nikki Sloane

The Doctor Nikki Sloane,2018-08-14 For years, he was a part of my life. I watched him rush to the hospital countless times, his beautiful surgeon hands racing to save lives. After all this time, I can't escape the truth. I want Dr. Lowe. Lust chokes each moment we're together. He promises to fulfill my fantasies-every dirty, naughty desire we can dream up. Only, I can't have him. He's confident. Experienced. Seductive. And he's my ex-boyfriend's father.

The Architect Nikki Sloane,2021-02-23 On the surface, my new boyfriend is a stiff, buttoned-up architect. He plans every detail of his life while carefully maintaining the walls he's built around his heart. But when the biggest project of his career pulls him away, Clay's solution is both temporary and unconventional. It even comes with a name-Travis. This handsome stranger is sweet and thoughtful. He's only meant to be a stand-in, to fulfill my needs under Clay's watchful direction, yet these two men couldn't be more different. The one thing they share? Well, I guess that would be me. One gets off on my pain, the other on my pleasure, and it awakens a desire none of us knew existed. But it can't last. Eventually I'll have to choose. And it's going to destroy us all.

The Pool Boy Nikki Sloane,2020-08-11 Nothing says happy birthday like catching your husband in a compromising position with his boss.His male boss.Why, hello, midlife crisis. I'm starting over, but this time I'm doing it right. Or at least I'm doing what I want.Taking the day off from work to hang out poolside? Yup. Do I leave the swimsuit in my house? Sure.Does my very hot, twenty-something pool boy happen to catch me naked? Oh, yeah, he does. And he likes what he sees? a lot.My best friend keeps telling me to have a fling and get back out there. But I'm not so sure she meant for me to do it with her son.

Sordid Nikki Sloane,2019-01-27 It took me years to find the courage to speak to Luka. He seemed exactly like me. Intelligent. Focused. Serious. But he's not the man I imagined. His reality is cruel and dark. He traps me in his web, his power twisting tighter the more I struggle, until it's hopeless. I can't break free. As he drags me unwillingly into his filthy world, I can't ignore the terrifying idea circling my mind. What if I belong here with him?

Three Simple Rules Nikki Sloane,2015-01-26 2015 Goodreads Choice Award Semifinalist for Best Debut

The Rivalry Nikki Sloane,2017-11-21 This tight end is at the top of his game. He's good with his hands, even better with his sexy mouth, and the best at making me forget my own name. His—ahem—stats are perfect. But I can't fall for him. He

might be everything I want, all rolled into a glorious package of gridiron god, but there's one teeny-tiny problem. The vile, loathsome team I've spent my entire life hating—my beloved school's arch-rival? This guy is their star player.

[The Safavid World](#) Rudi Matthee,2021-07-21 The Safavid World brings together thirty chapters on many aspects of the complex Safavid state, 1501-1722. With the latest insights and arguments, some offer overviews of the period or topic at hand, and others present new interpretations of old questions based on newly found sources. In addition to political history and religious life, the chapters in this volume cover economic conditions, commercial links and activities, social relations, and artistic expressions. They do so in ways that stretch both the temporal and geographical perimeters of the subject, and contributors also examine Safavid Iran with an eye to both its Mongol and Timurid antecedents and its long afterlife following the fall of the dynasty. Unlike traditional scholarship which tended to view the country as unique, sui generis, and barely affected by the outside world, The Safavid World situates Iran in a wider, regional or global context. Examining the Safavids from their foundations in the fourteenth century to their relations with the rest of the world in the eighteenth century, this study is essential reading for undergraduates, postgraduates, and scholars of the Safavid world and the history and culture of Iran and the Middle East.

The Obsession Nikki Sloane,2019-08-13 The Hale family is obsessed with status, power, and control. No problem is too big their money can't solve. Royce Hale manipulated me into giving him everything. My virginity. My hand in marriage. My heart. And as soon as he got what he wanted, he callously sold me off for a cool ten million. In the boardroom and the twisted game his family plays, he says the only rule is to win at all costs. Yesterday I learned a painful lesson not to trust the prince of Cape Hill. Today I'll destroy his carefully laid plans and show him just how badly he's already lost. All the money in the world won't be able to stop me. The Obsession is the second book of the Filthy Rich Americans trilogy and should be read following The Initiation.

The Redemption Nikki Sloane,2020-03-31 Once, the name Macalister Hale was uttered in the boardroom with respect. Now, it's whispered in disgrace at cocktail parties hosted by Boston's elite. Scandal nearly destroyed me, but the one thing larger than my infamy is my bank account, and I've learned money can solve anything. Well—almost anything. Sophia Alby's preferred currency is secrets and the way she trades information puts Wall Street to shame. This girl charges into my life and claims a partnership can restore my reputation. My downfall was swift, but with her, my climb to redemption will be greater. Our arrangement is professional. Appropriate. It has to be, because she's half my age. But it doesn't stop me from wanting . . . To move on. To control and indulge in her. To hear the name Macalister Hale echo in her breathy moans. But I can't. Giving in to temptation led to my undoing before, and I won't survive it a second time.

Your Dad Will Do Katee Robert,2021-01-01 I've been harboring a dark secret for two long years. I've been fantasizing about my fiancé's father, thinking filthy thoughts that a good daughter-in-law should not be indulging in. So when I catch my

fiancé cheating on me, there's only one revenge that will fulfill all my needs. I'm going to seduce his father. It's dirty and it's wrong, and I don't care. I want him, so I mean to have him. After this weekend, my ex won't be the only one who calls his father Daddy. In *Your Dad Will Do*, you'll find: - Revenge sex - (former) Father-In-Law - Daddy Stuff - Age Gap Romance

The Initiation Nikki Sloane,2019-05-28 No one knows how new members are selected to the board of Hale Banking and Holding. But there are rumors of a sordid rite of initiation. Whispers how one woman and nine men disappear into a boardroom. This time, that woman will be me. The Hale family owns everything—the eighth largest bank in the world, everyone in our town, even the mortgage on my parents' mansion. And now Royce Hale wants to own me. He is charming. Seductive. Ruthless. But above all, he's the prince of lies. My body may tighten with white-hot desire under his penetrating gaze, but I refuse to enjoy it. I'll make a deal with the devil to save my family and sell myself to the Hales. But Royce will never own my heart. The Primer of Humor Research Victor Raskin,2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge. Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field, and each is written by the leading expert or emerging scholar in that area. There are two primary motivations for the book. The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around *Humor: The International Journal of Humor Research*. The negative motivation is to prevent the embarrassment to and from the first-timers, often established experts in their own field, who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject-unless they are in the business of reinventing the wheel and have serious doubts about its being round! The organization of the book reflects the main groups of scholars participating in the increasingly popular and high-powered humor research movement throughout the world, an 800 to 1,000-strong contingent, and growing. The chapters are organized along the same lines: History, Research Issues, Main Directions, Current Situation, Possible Future, Bibliography-and use the authors' definitive credentials not to promote an individual view, but rather to give the reader a good comprehensive and condensed view of the area.

Giving In Lola King,2021-05-07 JamieJake White is our king. A king with a crown of thorns, a heart of stone, and evil in his soul. He hides it well though, under a beautiful smile and eyes that ravage your heart. But Stoneview Prep's golden boy has always had a dark aura around him. Like a well-guarded secret. A blackness that he never lets anyone see. Curiosity

killed the cat, Jamie. My mom always tells me. She never said it would get me in more trouble than I could handle. She never said it would throw me into the dark world of Jake White. And when I not-so-accidentally find out part of Jake's past, I finally learn the consequences of mischievous nosiness. Curiosity doesn't kill this cat. It turns it into a mouse to be played with. At least that's what Jake decided. Jake Three years. That's how much my twin and I got of freedom before our past caught up with us. We were doing well, we were being good, we were keeping out of trouble. Most of all, I was in control. But trouble always finds a reason to make its way back to us. And when it does, Jamie Williams is here to witness it. In the morning I learned of her existence, in the afternoon she was spying on me like a fangirl. This girl is desperate to find out what's behind the golden boy's facade I was kind enough to put on. So be it. I have time on my hands, darkness on my mind, and a hundred ways to make Jamie Williams bend to my will. This book is approximately 92,000 words and is the first book of a three-book series. Giving In is a dark high school bully romance intended for mature readers. It contains detailed sexual scenes and bullying scenes that some readers may find triggering. If you are unsure of your triggers, please heed the author's trigger warning in the book.

Mave Fortune: a Rejected Mates Story Elizabeth Dear,2021-04-21 When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile. But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. He's the Alpha's son and king of a school crawling with shifters, and it turns out he doesn't care to be saddled with a Moon-chosen mate who he thinks is a nobody-omega wolf. When he rejects me in front of every shifter in school, I vow to harden my heart, become impervious to the constant, deep hurt of the rejection, and figure out how to be the first wolf in known history to shake the taint of a rejected fated mate bond. I'm also becoming closer to a new student--a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. I can't even tell him what's really going on, but I think he's keeping secrets from me, too.I'm Mave Fortune, and my mate threw me out like yesterday's garbage. But fuck that guy.This is a new adult, M/F 133,000 word standalone story with a HEA. Any future books in the series will feature other characters. It is intended for the 18+ crowd and contains foul language, some mild violence, and steamy scenes. If you're a fan of upper YA/NA, wolf shifters, academy romances, and all of the associated tropes, then this book is for you!
