Steve Hoke, William Taylor

Invitation to Evangelism Timothy K. Beougher, 2021-08-24 Essential guidance for a lifestyle of sharing God's good news with a lost world. What exactly does it mean to evangelize in a Christian sense? And how is such evangelizing supposed to be done? Longtime pastor, evangelist, and professor of evangelism Timothy K. Beougher answers these questions and more from theological, historical, and practical perspectives. Beougher demonstrates God's goodness in evangelism through relatable anecdotes, Bible teaching, and encouraging instruction. Invitation to Evangelism welcomes believers into the experience of stepping out in faith of behalf of people God loves. Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers, and most also know they aren't witnessing very well, or even at all. They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives. Invitation to Evangelism guides readers through the essential issues of the gospel message, evangelism methods, and witnessing models so they are ready and excited to move out in faith as everyday evangelists. Beougher's biblical, theological, historical, and practical teaching revolves around following essential aspects of being an evangelist: Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others

Discipleship that Fits Bobby Harrington, Alex Absalom, 2016-02-09 For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. Discipleship That Fits shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public

Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

Rugged Discipleship Steve Connor, 2020-02-28 Connor's book, *Rugged Discipleship*, is a unique, fun and motivating fusion of Biblical principles, adventure literature and travelogue while always encouraging the reader to be and make rugged disciples. The writer introduces us to the North Georgia mountains, a wee village in Scotland, jumping trains to Canada, adventures in India, mysterious friends in Cambodia- from wild skydivers and a motorcycle stolen in Bulgaria. Each story reveals something Connor has learned through failures and successes in the context of working with people. The lessons learned have something of the radiance of Divine leading and purpose shining through. An inspiring Read. - Dr. Jerry Root, Author and C.S. Lewis scholar, Professor Wheaton College and Bill Graham Center of Evangelism.

Gospel-Centered Kids Ministry Brian Dembowczyk, 2018-10-15 The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or her behavior, and gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church—the gospel. Gospel-Centered Kids Ministry also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry.

Hard Sayings of Jesus F. F. Bruce, 1983-08-14 Like his original hearers many people today find Jesus' sayings hard. Some sayings are hard because they are difficult to understand, others because the demands they make on us are only too clear. F. F. Bruce examines seventy of the hard sayings of Jesus to clear away the cultural and historical difficulties which keep us from grappling with the real challenge of Jesus' message. Evident in each chapter is Bruce's keen evangelical scholarship and pastoral insight.

Reimagining Evangelism Rick Richardson, 2009-12-09 What if introducing your friends to Jesus was less like selling a problem-solving, pie-in-the-sky product and more like inviting them to join you on an adventure? Would you find a new

freedom to be yourself—and to be of use to God? Rick Richardson dares to describe what evangelism really ought to be like.

Discipleship Handbook General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher calling than to be a disciple of Jesus Christ. Nothing compares to knowing and following the Savior of the world. To know Him is to love Him, and to follow Him is a wonderful adventure. Still, the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven. If the devil had his way, every Christian would be lulled to spiritual slumber or led into forbidden paths that would steal the heart away from God. Therefore, even after we are baptized, it is imperative that we continue to grow into active and mature disciples of Christ. The Discipleship Handbook will benefit anyone seeking such an experience with Jesus. It may be used for personal study or in Sabbath schools, prayer meetings, small groups, or one-on-one settings. It is more than a book about discipleship. Rather, it contains everything needed for a six-month, Bible-based discipleship plan for Seventh-day Adventist churches and their members. The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered. The devotional life, personal witnessing, church life, Christian lifestyle, and evangelism each receive special emphasis. For newer members, the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor.

Conformed to His Image Kenneth D. Boa, 2009-12-15 What does a relationship with God look like and how do we obtain it? It is vital for church leaders to grapple seriously with this question, for pat answers no longer suffice. Lives well-lived, not just words eloquently spoken, must become our response. The quality of our relationship with God is what will influence the health, potency, and witness of the church in an increasingly complex and hostile world. Designed for use as a college or seminary course, *Conformed to His Image* helps us build our lives on a fully biblical perspective. Exploring twelve

approaches to Christian spirituality in depth, Dr. Kenneth Boa corrects our tendency to pick and compartmentalize. Pointing the way instead to an integrative, whole-life approach, Dr. Boa shows how each spiritual paradigm discussed is just one important facet in the gem of authentic and powerful New Testament living. With chapter overviews and objectives, questions for personal application, a glossary, and a list of key terms, *Conformed to His Image* will prove a defining text for the student, pastor, and church leader of today . . . and tomorrow. 12 Facets of the Complete Christian Life Relational Spirituality: Loving God Completely, Ourselves Correctly, and Others Compassionately Paradigm Spirituality: Cultivating an Eternal versus a Temporal Perspective Disciplined Spirituality: Engaging in the Historical Differences Exchanged Life Spirituality: Grasping Our True Identity in Christ Motivated Spirituality: A Set of Biblical Incentives Devotional Spirituality: Falling in Love with God Holistic Spirituality: Every Component of Life under the Lordship of Christ Process Spirituality: Being versus Doing, Process versus Product Spirit-Filled Spirituality: Walking in the Power of the Spirit Warfare Spirituality: The World, the Flesh, and the Devil Nurturing Spirituality: A Lifestyle of Discipleship and Evangelism Corporate Spirituality: Encouragement, Accountability, and Worship

Finding Passion and Purpose Keith Edward Brownfield, 2011-01-01 This impassioned guide will help Christians everywhere become more than mere spectators in faith by finding their purpose in the Lord's ministry. As a devoted Christian, Keith Brownfield knew he ought to be doing more than just sitting in the pew every Sunday, listening to the sermons and singing the songs. The Bible calls us not only to believe in the Lord with our heads, but also to follow him with our hearts. In *Finding Passion and Purpose for Serving a Loving God*, Keith offers his layman's perspective on the great spiritual journey that will lead us all to a rewarding eternal life in paradise. He explains this spiritual journey as a four-step process that begins with salvation and culminates with a lifestyle of ministry and evangelism. *Finding Passion and Purpose for Serving a Loving God* will lead the believer to discover their own passion for ministry while traveling this journey. It includes steps to discovering God's purpose for their life along with guidelines for renewal and restoration.

Discipleship Essentials Greg Ogden, 2019-01-15 We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. This expanded 25-session workbook by Greg Ogden, perfect for small groups or individuals, helps us influence others as Jesus did—by investing in a few. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Send Me! Steve Hoke, William Taylor, 1999-06-01 This hands-on workbook has been designed for two kinds of people: those who have a deep desire to serve God overseas and those who want to help them. It has not been designed to persuade people to become missionaries. Rather, it assumes an initial interest—an early indication or drive somewhere inside that God may have more for you than you previously thought. It is aimed at two primary readers: college/university students and young career persons, as well as committed older adults facing the challenge of an early retirement or career change. The information this workbook presents will also help churches, campus groups, schools, missionary training centers, and agencies to think and pray through short-term and long-term plans with those responding to God's call.

Discipleship Defined Eric Russ, 2010-11 DON'T read this book if you want to remain comfortable! Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did. Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be, rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city. This book is soundly Biblical, challenging and practical. This book is about building disciples not programs. Roger Hershey, Campus Crusade For Christ It is a joy to highly commend to all *Discipleship Defined*, for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness. *Discipleship*

Defined has carefully described, yet without programming it into a rigid system, how to go about this challenging task. Walter C. Kaiser, Jr., President Emeritus Gordon-Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship, a topic widely misunderstood and undervalued. Moving away from piety-driven discipleship, Russ points us toward a holistic, Christ-centered way of following Jesus. Jonathan Dodson, Lead Pastor Austin City Life, Austin, TX. Eric has a healthy obsession about strong discipleship, and it shows in a gracious way in this guidebook for muscular commitment. Can you be obsessed and still have a gracious spirit? Eric does, and so does this book! Knute Larson, Senior Pastor The Chapel, Akron, OH (1983-2009) Eric Russ is lead pastor of Mack Avenue Community Church in Detroit, Michigan. He is married to Sara and has four children. For more information visit www.discipleshipdefined.com or www.mackave.com.
