Light Is the New Black Rebecca Campbell,2015-07-06 An encouraging guidebook to awaken to your potential, connect with the callings of your soul, and light up the world with your presence. This international bestselling book has helped hundreds of thousands of people all over the world to create a life that is in deep alignment with their soul. Light Is The New Black is an inspiring book with a message that is so needed right now. Rebecca courageously guides us to turn our lights on and follow the daily calls of our soul so we can all light up the world with our authentic spirit.” - Sonia Choquette, bestselling author of *The Answer is Simple ANSWER THE CALL OF YOUR SOUL AND WORK YOUR LIGHT* Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is for those who agreed to be here at this time in history to answer the call of their soul and work their light. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this inspirational book, Rebecca shares her own healing journey, alongside practical tools to help you reconnect with the core of your being, and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in divine alignment, discover your soul gifts, and offer the world something that only you can give. “When I first woke up to the callings of my soul, I lacked the courage, confidence, inner support, and practical tools not just to hear the callings of my soul, but to let them truly lead my life. There were pieces missing, a journey needed to be taken. I called upon the Universe and spiritual teachers to support me. This book is the result of that journey. You can read it in one sitting, one chapter a day, or pick a page at random for an instant hit of guidance. Throughout you will find ‘Work Your Light’ exercises, mantras, and affirmations. I created these with the intention of guiding you not only to hear the callings of your soul, but to act on them too... I pray that you discover the authentic gift to the world that you already are and choose to serve the world by being You. Follow what lights you up and you will light up the world. So much love, Rebecca x

Rise Sister Rise Rebecca Campbell,2016-10-04 Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the

return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives “making it” in a man’s world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I - Rebecca’s Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II - Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III - Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV - Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V - Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI - Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising “I’m a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of Miracles Now Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Love, Rebecca x
