Fashion Climbing Bill Cunningham,2018-09-04 The New York Times bestseller “[An] obscenely enjoyable romp.” —The New York Times Book Review The untold story of a New York City legend's education in creativity and style For Bill Cunningham, New York City was the land of freedom, glamour, and, above all, style. Growing up in a lace-curtain Irish suburb of Boston, secretly trying on his sister's dresses and spending his evenings after school in the city's chicest boutiques, Bill dreamed of a life dedicated to fashion. But his desires were a source of shame for his family, and after dropping out of Harvard, he had to fight them tooth-and-nail to pursue his love. When he arrived in New York, he reveled in people-watching. He spent his nights at opera openings and gate-crashing extravagant balls, where he would take note of the styles, new and old, watching how the gowns moved, how the jewels hung, how the hair laid on each head. This was his education, and the birth of the democratic and exuberant taste that he came to be famous for as a photographer for The New York Times. After two style mavens took Bill under their wing, his creativity thrived and he made a name for himself as a designer. Taking on the alias William J.--because designing under his family's name would have been a disgrace to his parents--Bill became one of the era's most outlandish and celebrated hat designers, catering to movie stars, heiresses, and artists alike. Bill's mission was to bring happiness to the world by making women an inspiration to themselves and everyone who saw them. These were halcyon days when fashion was all he ate and drank. When he was broke and hungry he'd stroll past the store windows on Fifth Avenue and feed himself on beautiful things. Fashion Climbing is the story of a young man striving to be the person he was born to be: a true original. But although he was one of the city's most recognized and treasured figures, Bill was also one of its most guarded. Written with his infectious joy and one-of-a-kind voice, this memoir was polished, neatly typewritten, and safely stored away in his lifetime. He held off on sharing it--and himself--until his passing. Between these covers, is an education in style, an effervescent tale of a bohemian world as it once was, and a final gift to the readers of one of New York's great characters.

**Make Good Art** Neil Gaiman,2013-05-14 From the bestselling author of the acclaimed novel AMERICAN GODS and the prize-winning THE OCEAN AT THE END OF THE LANE. He encouraged the fledgling painters, musicians, writers, and dreamers to break rules and think outside the box. Most of all, he urged them to make good art. The book MAKE GOOD ART, designed by renowned graphic artist Chip Kidd, contains the full text of Gaiman's inspiring speech. Praise for Neil Gaiman: 'A very fine and imaginative writer' The Sunday Times 'Exhilarating and terrifying' Independent 'Urbane and sophisticated' Time Out 'A jaw-droppingly good, scary epic positively drenched in metaphors and symbols... **Frida** Hayden Herrera, 2018-08-09 The beautifully illustrated and authoritative biography of Frida Kahlo 'Frida will hold its place as the first comprehensive biography of this most visceral of artists' Observer 'Mesmerizing' Time Frida is the story of one of the twentieth century's most extraordinary women, the painter Frida Kahlo. Born near Mexico City, she grew up during the turbulent days of the Mexican Revolution and, at eighteen, was the victim of an accident that left her crippled and unable to bear children. To salvage what she could from her unhappy situation, Kahlo had to learn to keep still - so she began to paint. Kahlo's unique talent was to make her one of the century's most enduring artists. But her remarkable paintings were only one element of a rich and dramatic life. Frida is also the story of her tempestuous marriage to the muralist Diego Rivera, her love affairs with numerous, diverse men such as Isamu Noguchi and Leon Trotsky, her involvement with the Communist Party, her absorption in Mexican folklore and culture, and of the inspiration behind her unforgettable art.

*Abloh-isms* Virgil Abloh, 2021-03-16 A collection of essential quotations from the renowned fashion designer, DJ, and stylist Abloh-isms is a collection of essential quotations from American fashion designer, DJ, and stylist Virgil Abloh, who was a major creative figure in the worlds of pop culture and art. Abloh began his career as Kanye West's creative director before founding the luxury streetwear label Off-White and becoming artistic director for Louis Vuitton, making Abloh the first American of African descent to hold that title at a French fashion house. Defying categorization, Abloh's work has been the subject of solo exhibitions at museums and galleries, most notably in a major retrospective at the Museum of Contemporary Art Chicago. Gathered from interviews and other sources, this selection of compelling and memorable quotations from the designer reveals his thoughts on a wide range of subjects, including creativity, passion, innovation, race, and what it means to be an artist of his generation. Lively and thought-provoking, these quotes reflect Abloh's unique perspective as a trailblazer in his fields. Select quotations from the book: "I believe that coincidence is key, but coincidence is energies coming towards each other. You have to be moving to meet it." "Life is collaboration. Where I think art can be sort of misguided is that it propagates this idea of itself as a solo love affair—one person, one idea, no one else involved." "Black influence has created a new ecosystem, which can grow and support different types of life that we couldn't before.

**Just Because You Know It, Doesn't Make It Right: How to Paint a Prettier Picture for Your Life and Business** Kathryn L. Jackson, 2021-05-21 People do what they were taught, whether it works or not. Jobs, relationships, money, and health are all a reflection of learned behaviors. Most people follow the path that was laid out before them. But what if that path leads to heartache, hopelessness or pure hell. What happens when the “right thing to do” no longer works? It's time to paint a prettier picture. This book is simply about deciding to take action. Planning a better life or a successful business is no different than an artist creating a new work of art. You decide how you want it to look. Follow the outline and before you know it, you have created a masterpiece in both your life and business. The key is to get started. There is no substitute for action. Stepping outside of your comfort zone is scary and not for the faint of heart. It is always shaky ground, because what comes next is an unknown. But the freedom of making your own choice is a lot more exhilarating than the stress of staying in the lines, drawn by someone else.
