Letters to a Young Gymnast Nadia Comaneci, 2009-04-28 If there were such a thing as an elder stateswoman in women's gymnastics today, Nadia Comaneci would win that title as readily as she once won gold medals. Olga Korbut came before her, and many other medalists would follow, but none has ever been as dominant in winning the hearts of millions around the world. With grit and determination, Nadia Comaneci ushered in a new era for women's sports, one where young girls could vault into the arena of superstardom. Even today, almost thirty years after her greatest triumphs, you need only

mention the name Nadia and gymnastics fans know instantly whom you are talking about. In *Letters to a Young Gymnast*, Nadia shows what it takes to achieve athletic perfection and become the best. With inspiring and dramatic stories from her own experience, she tells us how the young girl that Bela Karolyi discovered in a Romanian elementary school found the inner strength to become a world-class athlete at such a young age. This collection of Nadia's memories, anecdotes, and advice grants unique insights into the mind of a top competitor. From how to live after you've realized your dream, to the necessity of a spirit forged with mettle, Nadia's thoughts on athleticism and sacrifice are eye-opening and surprisingly challenging.

What Is a Girl Worth? Rachael Denhollander,2022-08 Written by Rachael Denhollander, recipient of Sports Illustrated's Inspiration of the Year Award and one of Time's 100 Most Influential People (2018). Who is going to tell these little girls that what was done to them matters? That they are seen and valued, that they are not alone and they are not unprotected? Rachael Denhollander's voice was heard around the world when she spoke out to end the most shocking USA gymnastics scandal in history. The first victim to publicly accuse Larry Nassar, the former USA Gymnastics team doctor who sexually abused hundreds of young athletes, Rachael now reveals her full story for the first time. Powerful and gut-wrenching, this memoir addresses questions like: How did Nassar get away with it for so long? How did Rachael and the other survivors finally stop him and bring him to justice? How can we protect the vulnerable in our own families, churches, and communities? *What Is a Girl Worth?* is the inspiring true story of Rachael's journey from an idealistic young gymnast to a strong and determined woman who found the courage to raise her voice against evil and injustice, even when she thought the world might not listen. In this crucial cultural moment of #MeToo and #ChurchToo, this deeply personal and compelling narrative shines a spotlight on the physical and emotional impact of abuse, why so many survivors are reluctant to speak out, and what it means to be believed.

Fierce Aly Raisman, 2018-11-13 The New York Times bestseller! Discover Aly Raisman's inspiring story of dedication, perseverance, and learning to think positively even in the toughest times on her path to gold medal success in two Olympic Games--and beyond. Aly Raisman first stepped onto a gymnastics mat as a toddler in a mommy & me gymnastics class. No one could have predicted then that sixteen years later, she'd be standing on an Olympic podium, having achieved her dreams. Aly's road to success was full of hard work, perseverance, and victories, but not without its hardships. Aly faced many obstacles, from naysayers who said she'd never make it in gymnastics to classmates who shamed her for her athletic body to a devastating betrayal of trust. Through it all, Aly surrounded herself with supportive family, friends, and teammates and found the inner strength to remain positive and believe in herself. Now, in her own words, Aly shows what it takes to be a champion on and off the floor, and takes readers on a behind-the-scenes journey before, during, and after her remarkable achievements in two Olympic Games--through her highest highs, lowest lows, and all the moments in between. Honest and heartfelt, frank and funny, Aly's story is enhanced with never-before-published photos, excerpts from the personal journals she's kept since childhood that chronicle memorable moments with her teammates, and hard-won advice for readers who strive to rise above challenges, learn to love themselves, and make their own dreams come true.

From Weakness to Strength Scott Sauls, 2017-10-01 In this honest book, pastor and author Scott Sauls exposes the real struggles that Christian leaders and pastors regularly face. Sauls shares his own stories and those of other leaders from Scripture and throughout history to remind us that we are human, we are sinners, and we need Jesus to help us thrive as people and leaders. For Christian leaders—both inside and outside of the church—weaknesses that are left unchecked can lead to a downfall that is both public and painful. They want to lead with character and live like Jesus, but ambition, isolation, criticism, envy, anticlimax, opposition, restlessness, and insecurity can get in the way. *From Weakness to Strength* provides leaders with tools to draw near to Jesus and stay encouraged and hopeful, even (and especially) when sin and struggle get in the way.

Off Balance Dominique Moceanu,2012-06-12 In this searing and riveting New York Times bestseller, Olympic gold medalist Dominique Moceanu reveals the dark underbelly of Olympic gymnastics, the true price of success...and the shocking secret about her past and her family that she only learned years later. At fourteen years old, Dominique Moceanu was the youngest member of the 1996 US Women's Olympic Gymnastics team, the first and only American women's team to take gold at the Olympics. Her pixyish appearance and ferocious competitive drive quickly earned her the status of media darling. But behind the fame, the flawless floor routines, and the million-dollar smile, her life was a series of challenges and hardships. *Off Balance* vividly delineates each of the dominating characters who contributed to Moceanu's rise to the top, from her stubborn father and long-suffering mother to her mercurial coach, Bela Karolyi. Here, Moceanu finally shares the haunting stories of competition, her years of hiding injuries and pain out of fear of retribution from her coaches, and how she hit rock bottom after a public battle with her parents. But medals, murder plots, drugs, and daring escapes aside (all of which figure into Moceanu's incredible journey), the most unique aspect of her life is the family secret that Moceanu discovers, opening a new and unexpected chapter in her adult life. A mysterious letter from a stranger reveals that she has a second sister—born with a physical disability and given away at birth—who has nonetheless followed in Moceanu's footsteps in an astonishing way. A multilayered memoir that transcends the world of sports, *Off Balance* will touch anyone who has ever dared to dream of a better life.

Women's Artistic Gymnastics Roslyn Kerr,Natalie Barker-Ruchti,Carly Stewart,Gretchen Kerr,2020-04-08 This book lifts the lid on the high pressured, complex world of women's artistic gymnastics. By adopting a socio-cultural lens incorporating historical, sociological and psychological perspectives, it takes the reader through the story and workings of women's artistic gymnastics. Beginning with its early history as a 'feminine appropriate' sport, the book follows the sport through its transition to a modern sports form. Including global cases and innovative narrative methods, it explores the way gymnasts have experienced its intense challenges, the complexities of the coach-athlete relationship, and how others involved in the sport, such as parents and medical personnel, have contributed to the reproduction of a highly demanding and potentially abusive sporting culture. With the focus on a unique women's sport, the book is an important read for researchers and students studying sport sociology, sport coaching, and physical education, but it is also a valuable resource for anyone interested in the development of sporting talent.
