

Il Treno Dei Bambini

Laura Barnett

In Other Words Jhumpa Lahiri, 2016-02-11 _____ 'A passionate love letter to language and to Italy ... a bold and quirkily engaging self-portrait' - Lee Langley, Spectator 'A writer of uncommon elegance and poise' - New York Times 'A fascinating account of her linguistic exile' - Erica Wagner, Harper's Bazaar _____ In Other Words is a revelation. It is at heart a love story of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterwards, true mastery had always eluded her. Seeking full immersion, she decided to move to Rome with her family, for 'a trial by fire, a sort of baptism' into a new language and world. There, she began to read and to write - initially in her journal - solely in Italian. In Other Words, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.

The Space Train Maudie Powell-Tuck, 2018-08 Jakob has found the long-lost SPACE TRAIN! But it's old, battered and broken. With the help of Granny and Derek the robot chicken, can Jakob fix the train? A stunning intergalactic adventure, packed with fun flaps and out-of-this world illustrations from the talented Karl James Mountford (The Curious Case of the Missing Mammoth, Last Stop on the Reindeer Express)!

Thank You and Good Night Jon Gordon, 2016-02-16 Learning to be thankful in a beautiful story Thank You and Goodnight is a beautifully illustrated book that shares the heart of gratitude. Jon Gordon takes a little boy and girl on a fun-filled journey from one perfect moonlight night to the next. During their adventurous day and night, the children explore the people, places and things that they are thankful for. The two tots in Thank You and Goodnight learn that being thankful makes ice cream taste better, butterflies look more beautiful, and weekend days seem longer. Thank you is a phrase that will brighten any kid's day and help them get a good night's sleep. Jon Gordon's bestselling books and talks have inspired readers and audiences around the world. He is the author of numerous books on leadership and teamwork and several children's books including The Energy Bus for Kids. Jon invites you to visit and connect with him on his website www.JonGordon.com and on

Twitter @JonGordon11. Donald Wallace, illustrator, animator and designer loves to work in all directions of the visual story: animation and movies, books, games, commercials, music videos, and theme park rides. This is his third collaboration with Jon Gordon. Donald's constant mission: spread light and keep the kid alive in all of us. Visit Donald's website, www.wallyhood.com.

Stolen Beauty Laurie Lico Albanese, 2017-02-07 Color illustration and map on lining papers.

Night Train Martin Amis, 2011-02-23 NATIONAL BESTSELLER • Fusing brilliant wordplay with all the elements of a classic whodunit, Amis has created a quicksilver narrative that grabs the reader and refuse to let go" (The New York Times). Dazzling.... Whistles into the police-procedural structure only to blow it to bits. —Wall Street Journal Detective Mike Hoolihan has seen it all. A fifteen-year veteran of the force, she's gone from walking a beat, to robbery, to homicide. But one case—this case—has gotten under her skin. When Jennifer Rockwell, darling of the community and daughter of a respected career cop—now top brass—takes her own life, no one is prepared to believe it. Especially her father, Colonel Tom. Homicide Detective Mike Hoolihan, longtime colleague and friend of Colonel Tom, is ready to put the case down. Suicide. Closed. Until Colonel Tom asks her to do the one thing any grieving father would ask: take a second look. Not since his celebrated novel *Money* has Amis turned his focus on America to such remarkable effect. Amis exposes a world where surfaces are suspect (no matter how perfect), where paranoia is justified (no matter how pervasive), and where power and pride are brought low by the hidden recesses of our humanity.

The Hummingbird Sandro Veronesi, 2021-06-24 A BOOK OF THE YEAR FOR THE GUARDIAN: 'DEEPLY PLEASURABLE' A BOOK OF THE YEAR FOR THE SPECTATOR: 'WHAT A JOY' 'Magnificent' Guardian 'A towering achievement' Financial Times 'Inventive, bold, unexpected' Sunday Times 'Everything that makes the novel worthwhile and engaging is here: warmth, wit, intelligence, love, death, high seriousness, low comedy, philosophy, subtle personal relationships and the complex interior life of human beings' Guardian 'Not since William Boyd's *Any Human Heart* has a novel captured the feast and famine nature of a single life with such invention and tenderness' Financial Times 'There is a pleasing sense of having grappled with the real stuff of life: loss, grief, love, desire, pain, uncertainty, confusion, joy, despair - all while having fun' The Sunday Times 'Instantly immersive, playfully inventive, effortlessly wise' Observer 'Masterly: a cabinet of curiosities and delights, packed with small wonders' Ian McEwan 'A real masterpiece. A funny, touching, profound book that made me cry like a little girl on the last page' Leïla Slimani 'A remarkable accomplishment, a true gift to the world' Michael Cunningham 'Ardent, gripping, and inventive to the core' Jhumpa Lahiri Marco Carrera is 'the hummingbird,' a man with the almost supernatural ability to stay still as the world around him continues to change. As he navigates the challenges of life - confronting the death of his sister and the absence of his brother; taking care of his parents as they approach the end of their lives; raising his granddaughter when her mother, Marco's own child, can no longer be there for her; coming to terms

with his love for the enigmatic Luisa - Marco Carrera comes to represent the quiet heroism that pervades so much of our everyday existence. A thrilling novel about the need to look to the future with hope and live with intensity to the very end. THE NO. 1 INTERNATIONAL BESTSELLER Over 300,000 copies sold Soon to be a major motion picture Winner of the Premio Strega Winner of the Prix du Livre Etranger Book of the Year for the Corriere della Sera

The Cosmic Puppets Philip K. Dick, 2012-07-17 A man's hometown is drastically changed—and no one knows what he's talking about—in this science fiction novel from the author of *The Zap Gun*. Following an inexplicable urge, Ted Barton returns to his idyllic Virginia hometown for a vacation, but when he gets there, he is shocked to discover that the town has utterly changed. The stores and houses are all different and he doesn't recognize anybody. The mystery deepens when he checks the town's historical records...and reads that he died nearly twenty years earlier. As he attempts to uncover the secrets of the town, Barton is drawn deeper into the puzzle, and into a supernatural battle that could decide the fate of the universe.

The Train Georges Simenon, 2011-07-19 Against all expectations Marcel Féron has made a "normal" life in a bucolic French suburb in the Ardennes. But on May 10, 1940, as Nazi tanks approach, this timid, happy man must abandon his home and confront the "Fate" that he has secretly awaited. Separated from his pregnant wife and young daughter in the chaos of flight, he joins a freight car of refugees hurtling southward ahead of the pursuing invaders. There, he meets Anna, a sad-looking, dark-haired girl, whose accent is "neither Belgian nor German," and who "seemed foreign to everything around her." As the mystery of Anna's identity is gradually revealed, Marcel leaps from the heights of an exhilarating freedom to the depths of a terrifying responsibility—one that will lead him to a blood-chilling choice. When it first appeared in English in 1964, British novelist and critic Brigid Brophy declared *The Train* to be "the novel his admirers had been expecting all along from Simenon." Until *The Train*, she wrote, the dazzlingly prolific novelist had been "a master without a masterpiece."

The Orphan's Tale Pam Jenoff, 2017-02-21 Look for Pam Jenoff's new novel, *The Woman with the Blue Star*, an unforgettable story of courage and friendship during wartime. A New York Times bestseller! "Readers who enjoyed Kristin Hannah's *The Nightingale* and Sara Gruen's *Water for Elephants* will embrace this novel. " —Library Journal "Secrets, lies, treachery, and passion.... I read this novel in a headlong rush." —Christina Baker Kline, #1 New York Times bestselling author of *Orphan Train* A powerful novel of friendship set in a traveling circus during World War II, *The Orphan's Tale* introduces two extraordinary women and their harrowing stories of sacrifice and survival. Sixteen-year-old Noa has been cast out in disgrace after becoming pregnant by a Nazi soldier and being forced to give up her baby. She lives above a small rail station, which she cleans in order to earn her keep... When Noa discovers a boxcar containing dozens of Jewish infants bound for a concentration camp, she is reminded of the child that was taken from her. And in a moment that will change the course of her life, she snatches one of the babies and flees into the snowy night. Noa finds refuge with a German circus, but she

must learn the flying trapeze act so she can blend in undetected, spurning the resentment of the lead aerialist, Astrid. At first rivals, Noa and Astrid soon forge a powerful bond. But as the facade that protects them proves increasingly tenuous, Noa and Astrid must decide whether their friendship is enough to save one another—or if the secrets that burn between them will destroy everything. Don't miss Pam Jenoff's new novel, *Code Name Sapphire*, a riveting tale of bravery and resistance during World War II. Read these other sweeping epics from New York Times bestselling author Pam Jenoff: *The Woman with the Blue Star* *The Lost Girls of Paris* *The Ambassador's Daughter* *The Diplomat's Wife* *The Last Summer at Chelsea Beach* *The Kommandant's Girl* *The Winter Guest*

La crociata dei bambini ,

The Child in Time Ian McEwan, 2014-05-13 Stephen Lewis, a successful writer of children's books, is confronted with the unthinkable: his only child, three-year-old Kate, is snatched from him in a supermarket. In one horrifying moment that replays itself over the years that follow, Stephen realizes his daughter is gone. With extraordinary tenderness and insight, Booker Prize-winning author Ian McEwan takes us into the dark territory of a marriage devastated by the loss of a child. Kate's absence sets Stephen and his wife, Julie, on diverging paths as they each struggle with a grief that only seems to intensify with the passage of time. Eloquent and passionate, the novel concludes in a triumphant scene of love and hope that gives full rein to the author's remarkable gifts.

The Lost Years Mary Higgins Clark, 2012-05-10 The brand new spine-tingling thriller from the world's favorite thriller writer A fantastically page-turning new thriller from the world's favourite thriller writer, featuring all the twists, turns and chillingly close-to-the-bone storylines that her millions of fans know and love. Praise for Mary Higgins Clark: 'I adore Mary Higgins Clark' Karin Slaughter 'Teeming with tantalizing twists, Clark's crackling tale of identity theft, revenge, and murder is a tempting and thought-provoking thriller' Booklist

Robert Morris Robert Morris, Centro per l'arte contemporanea Luigi Pecci, 2005 This catalogue brings together for the first time 81 of Robert Morris's *Blind Time Drawings*, selected from the six series that make up the corpus of this work to which Morris has dedicated more than 30 years. The entire range is present from the early drawings of 1973 up to the *Moral Drawings* of 2000, with a particular emphasis on the fourth series, a group of works inspired by the writings of the philosopher Donald Davidson. Visually striking, the *Blind Time Drawings*, as the name implies, were executed by the artist with his eyes covered. Consisting of stark black-and-white contrasts, explosions of graphite, and obsessive markings that move organically throughout the page, the works are anything but haphazard. Morris followed a strict plan when doing the works, and his writing, which describes his process, is instrumental to understanding them. In addition, these works are placed within the context of Morris's Minimalist and Conceptualist masterpieces such as *Card File* (1962), *Mirrored Cubes* (1965) and *Portland Mirrors* (1977).

The Versions of Us Laura Barnett, 2016-05-03 “Stunningly crafted and constantly surprising . . . An utterly convincing love story about two people destined to be together somehow, no matter what.”—The Times A dazzling novel about the ways the smallest decisions give shape to our lives, *The Versions of Us* charts a relationship through three possible futures. Cambridge, 1958. Late for class, Eva Edelstein swerves to miss a dog and crashes her bike. Jim Taylor hurries to help her. In that brief moment, three outcomes are born for Eva and Jim. As the strands of their lives weave together and apart across the decades from college through wildly different successes and disappointments, seductions and betrayals, births and funerals, joys and sorrows, the only constant is the power of their connection. A #1 UK bestseller, *The Versions of Us* is a tour de force of storytelling. “One Day meets Sliding Doors.”—Elle “I simply adored this wonderful novel.”—Jessie Burton, New York Times bestselling author of *The Miniaturist* “A joy.”—The Guardian “Enchanting.”—People “Imagines the delicious prospect of romantic do-overs, cleverly negotiating the tricky and often dizzying terrain of three versions of first love . . . A masterly romantic study of love’s choices and consequences.”—Publishers Weekly (starred review) “Triumphant.”—The Sunday Telegraph “Barnett renders an irresistible concept in sweet, cool prose—a bit like a choose-your-own-adventure book in which you don’t have to choose.”—Observer “Reading this ambitious first novel is like putting together the pieces of a complex puzzle. The challenge pays off—only when the puzzle is complete can readers see the whole panoramic picture.”—Library Journal

My Mother Is a River Donatella Di Pietrantonio, 2015-11-04 The sensitive and powerful story of the love between a mother and her daughter, a love e;gone wrong from the starte;. When Esperia exhibits the symptoms of dementia, her daughter takes care of her and help her to rebuild her disintegrating identity. Day after day we learn about the characters of the extended family, the small village still without running water or electricity, in a e;bright and harshe; Abruzzo.

Persecution Alessandro Piperno, 2012-08-09 In a sprawling villa on the outskirts of Rome, the members of the Pontecorvo family have gathered for dinner. Leo Pontecorvo, an internationally revered pediatric oncologist, is forty-eight. His wife, Rachel, is a physician and the loving mother to Filippo and Samuel, two amiable pre-teens. The evening news is on in the living room but nobody pays it any attention until Dr. Pontecorvo's name surfaces from the background noise and a news item airs that will change the lives of the Pontecorvos forever. Leo Pontecorvo has been publicly accused of a vile crime. A spotlight is turned on him that reveals the mistakes, regrets, and contradictions of a lifetime. Every detail of his private and professional life is about to come under scrutiny, to be debated by both friends and foes, by ravenous reporters and punctilious prosecutors. But Leo could bear all this if it weren't for the suspicious gazes of his wife and children. Surely they, of all people, believe in his innocence! Alessandro Piperno is widely acknowledged as one of today's most talented European novelists. His voice is singular and shocking at times, yet always possessed of tenderness and enormous generosity of heart. His vision is broad and encompassing, his psychological insights penetrating and undeniable. In this deeply felt

family drama, Alessandro Piperno paints a broad canvas and fills it with psychologically complex characters whom readers will instantly recognize and never forget.

Hollow Heart Viola Di Grado,2015-06-11 In this courageous, inventive, irreverent, and shrewd novel, Viola Di Grado tells the story of a suicide and what follows. She gives voice to an astonishing vision of life after life, portraying the awful longing and sense of loss that plague the dead, together with the solitude provoked by the impossibility of communicating. The afterlife itself is seen as a dark, seething place where one is preyed upon by the cruel and unrelenting elements. Hollow Heart will frighten as it provokes, enlighten as it causes concern. If ever there were a novel that follows Kafka's prescription for a book to be an axe for the frozen sea within us, it is Hollow Heart. In this, Di Grado's second novel after 70% Acrylic 30% Wool, the twenty-seven-year-old prodigy gives proof of her reputation as a singular and explosive talent.

Falling Angels Tracy Chevalier,2009-04-17 'Vividly imagined' Sunday Telegraph 'Sex and death meet again in [a] marvellous evocation of Edwardian England' Daily Mail

I'm Not Scared Niccolo Ammaniti,2003-02-03 One relentless summer, six children explore the scorched wheatfields that surround their tiny community in the Italian countryside, while the adults shelter indoors. But when the gang chances on a tumbledown farmhouse, nine-year-old Michele Amitrano makes a discovery so momentous he dare not tell anyone about it. I'm Not Scared is a devastatingly authentic portrayal of childhood, and Michele must summon all of his imaginative resources to deal with his terrible secret. This is an enthralling and terrifying story about friendship and betrayal, guilt and innocence, which drives us inexorably to its tragic climax.

Il treno degli dèi China Miéville,2018-10-10 È tempo di rivolte e rivoluzioni, conflitti e intrighi. New Crobuzon sta cadendo a pezzi. Da un lato la guerra contro l'arcana, oscura città-stato di Tesh, dall'altro i ribelli che si aggirano per le strade portando la metropoli sull'orlo della rovina. Nel mezzo dei disordini, una misteriosa figura mascherata incita a una nuova forma di ribellione, mentre tradimenti e violenze si manifestano in luoghi inconsueti. Per sfuggire al caos e alla repressione, un piccolo gruppo di rinnegati è fuggito dalla città e ha attraversato terre straniere, alla ricerca di una speranza perduta, di una leggenda immortale. Così, nelle tragiche ore in cui sangue e orrore dilagano a New Crobuzon, si diffonde una voce: sta giungendo il momento del Concilio di Ferro. Fondendo con crescente maturità e padronanza registro immaginifico e riflessione politica, Miéville aggiunge un nuovo, fondamentale capitolo al ciclo dedicato a New Crobuzon, confermandosi autore di punta della nuova letteratura fantastica di lingua inglese.
