

Number The Stars Summary

Sharon Creech

The Pull of the Stars Emma Donoghue, 2020-07-23 The Sunday Times bestseller and Richard & Judy Book Club Pick, from the acclaimed author of *Room*. *The Pull of the Stars* is set during three days in a maternity ward at the height of the Great Flu. 'Moving, gripping and dazzlingly written' - *Stylist* Dublin, 1918. In a country doubly ravaged by war and disease, Nurse Julia Power works at an understaffed hospital in the city centre, where expectant mothers who have come down with an unfamiliar flu are quarantined together. Into Julia's regimented world step two outsiders: Doctor Kathleen Lynn, on the run from the police, and a young volunteer helper, Bridie Sweeney. In the darkness and intensity of this tiny ward these women change each other's lives in unexpected ways. They lose patients to this baffling pandemic, but they also shepherd new life into a fearful world. In *The Pull of the Stars*, Emma Donoghue tells an unforgettable and deeply moving story of love and loss. 'A visceral, harrowing, and revelatory vision of life, death, and love in a time of pandemic. This novel is stunning' - Emily St. John Mandel, author of *Station Eleven* 'Reads like an episode of *Call The Midwife* set during a pandemic' - Mail on Sunday Guardian, *Cosmopolitan* and *Telegraph's* 'Books of the Year'

Walk Two Moons Sharon Creech, 2020-09-17 Don't judge a man until you've walked two moons in his moccasins. What is the meaning of this strange message left on the doorstep? Only Sal knows, and on a roadtrip with her grandparents she tells the bizarre tale of Phoebe Winterbottom, Phoebe's disappearing mother and the lunatic. But who can help Sal make sense of the mystery that surrounds her own story . . . and her own missing mother?

All the Light We Cannot See Anthony Doerr, 2014-05-06 An imaginative and intricate novel inspired by the horrors of World War II and written in short, elegant chapters that explore human nature and the contradictory power of technology.

The Stars My Destination Alfred Bester, 2011-06-06 #5 in the Millennium SF Masterworks series, a library of the finest science fiction ever written. "Science fiction has only produced a few works of actual genius, and this is one of them." —Joe Haldeman #5 in the Millennium SF Masterworks series, a library of the finest science fiction ever written. "Science fiction has only produced a few works of actual genius, and this is one of them." —Joe Haldeman Bester at the peak of his powers is, quite simply, unbeatable" —James Lovegrove Marooned in outer space after an attack on his ship, Nomad, Gulliver Foyle lives to obsessively pursue the crew of a rescue vessel that had intended to leave him to die. When it comes to pop culture, Alfred Bester (1913-1987) is something of an unsung hero. He wrote radio scripts, screenplays, and comic books (in which

capacity he created the original Green Lantern Oath). But Bester is best known for his science-fiction novels, and *The Stars My Destination* may be his finest creation. With its sly potshotting at corporate skullduggery, *The Stars My Destination* seems utterly contemporary, and has maintained its status as an underground classic for fifty years. (Bester fans should also note that iBooks has reprinted *ReDemolished*, which won the very first Hugo Award in 1953.)

The Giver of Stars: Reese's Book Club Jojo Moyes, 2019-10-08 #1 NEW YORK TIMES BESTSELLER | A REESE'S BOOK CLUB PICK “A great narrative about personal strength and really captures how books bring communities together.” —Reese Witherspoon From the author of the forthcoming *Someone Else’s Shoes*, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt’s new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they’re committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America’s past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women’s friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

Autumn Street Lois Lowry, 1980-05-20 When her father leaves to fight in World War II, Elizabeth goes with her mother and sister to her grandfather's house, where she learns to face up to the always puzzling and often cruel realities of the adult world.

When the Stars Go Dark Paula McLain, 2021-04-13 NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BUZZ PICK • “A total departure for the author of *The Paris Wife*, McLain’s emotionally intense and exceptionally well-written thriller entwines its fictional crime with real cases.”—People (Book of the Week) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE • “The kind of heart-pounding conclusion that thriller fans crave . . . In the end, a book full of darkness lands with a message of hope.”—The New York Times Book Review “This mystery will keep you guessing, and stay with you long after you finish. Dive in.”—Daily Skimm Anna Hart is a seasoned missing persons detective in San Francisco with far too much knowledge of the darkest side of human nature. When tragedy strikes her personal life, Anna, desperate

and numb, flees to the Northern California village of Mendocino to grieve. She lived there as a child with her beloved foster parents, and now she believes it might be the only place left for her. Yet the day she arrives, she learns that a local teenage girl has gone missing. The crime feels frighteningly reminiscent of the most crucial time in Anna's childhood, when the unsolved murder of a young girl touched Mendocino and changed the community forever. As past and present collide, Anna realizes that she has been led to this moment. The most difficult lessons of her life have given her insight into how victims come into contact with violent predators. As Anna becomes obsessed with saving the missing girl, she must accept that true courage means getting out of her own way and learning to let others in. Weaving together actual cases of missing persons, trauma theory, and a hint of the metaphysical, this propulsive and deeply affecting novel tells a story of fate, necessary redemption, and what it takes, when the worst happens, to reclaim our lives—and our faith in one another.

Where the Forest Meets the Stars Glendy Vanderah, 2019 After the loss of her mother and her own battle with breast cancer, Joanna Teale returns to her graduate research on nesting birds in rural Illinois, determined to prove that her recent hardships have not broken her. When a mysterious child shows up at her cabin, barefoot and covered in bruises, Joanna enlists the help of her reclusive neighbor, Gabriel Nash, to solve the mystery of the charming child. But the more time they spend together, the more questions they have.

Kanye West Robert C. Schaller Jr., 2009-07-23 A revealing biography of Kanye West explores the artist—and the man. Kanye West is a star. His music has jumped from sensation to staple in the rap industry, while his personality, his philosophies, and his willingness to speak out for what he believes in regularly place him at the center of controversy. Kanye West: A Biography traces the star's life from his birth through the present day to paint a detailed picture of the artist and the man. Raised by a single mother who was an English professor in Chicago, West admits he came from the wrong side of the mall rather than the wrong side of the tracks. His name, his style, and the way he conducts his business are unique. His thoughtful reflections in interviews reveal a complex man few have taken the time to understand. This biography looks at that multifaceted star, exploring his career as singer and producer, but also looking at the forces that prepared him to chase his dreams—and chase off anyone who stood in his way.

Notes on Heartbreak Annie Lord, 2022-06-23 'Arresting and vivid, raw and breathtaking...told with stunning originality' DOLLY ALDERTON, author of EVERYTHING I KNOW ABOUT LOVE 'Annie Lord tells us a story at once both specific and universal' SHON FAYE, author of THE TRANSGENDER ISSUE 'An electrifying debut' CAROLINE O'DONOGHUE, author of THE RACHEL INCIDENT Dark, fierce and raw, Notes on Heartbreak is a love story told in reverse... Reeling from a broken heart, Annie Lord revisits the past - from the moment she first fell in love, the shared in-jokes and intertwining of a long-term relationship, to the months that saw the slow erosion of a bond five years in the making. Charting her attempts to move on, Annie explores the ups and downs of being newly single, from disastrous rebound sex to sending ill-advised nudes, stalking

your ex's new girlfriend on Instagram and the sharp indignity of being ghosted. This stunning exploration of love and heartbreak from cult journalist and Vogue columnist Annie Lord, is so much more than a book about one singular break-up. It is an unflinchingly honest account of the simultaneous joy and pain of being in love that will resonate with anyone who has ever nursed a broken heart. It's a book about the best and worst of love: the euphoric and the painful, the beautiful and the messy. Perfect for fans of *Everything I Know About Love*, *Conversations on Love* and *Three Women*.

Gossamer Lois Lowry, 2006-04-24 A novel “as haunting as a dream” from the New York Times-bestselling, Newbery Medal-winning author of *The Giver* (Kirkus Reviews, starred review). Where do dreams come from? What stealthy nighttime messengers are the guardians of our most deeply hidden hopes and our half-forgotten fears? This imaginative novel confronts these questions and explores the conflicts between the gentle bits and pieces of the past that come to life in dream, and the darker horrors that find their form in nightmare. In a haunting story that tiptoes between reality and fantasy, two people—a lonely, sensitive woman and a damaged, angry boy—face their own histories and discover what they can be to one another, renewed by the strength that comes from a tiny, caring creature they will never see. “Lyrical, richly descriptive prose ushers readers into a fascinating parallel world inhabited by appealingly quirky characters.”—Publishers Weekly (starred review) “A beautiful novel with an intriguing premise.”—School Library Journal (starred review)

Freckle Juice Judy Blume, 2024-11-05 More than anything in the world, Andrew wants freckles. His classmate Nicky has freckles -- they cover his face, his ears, and the whole back of his neck. (Once sitting behind him in class, Andrew counted eighty-six of them, and that was just a start! One day after school, Andrew screws up enough courage to ask Nicky where he got his freckles. And, as luck would have it, who should overhear him but giggling, teasing Sharon (who makes frog faces at everybody!) Sharon offers Andrew her secret freckle juice recipe -- for fifty cents. That's a lot of money to Andrew -- five whole weeks allowance! He spends a sleepless night, torn between his desire for freckles and his reluctance to part with such a substantial sum of money. Finally, the freckles win, and Andrew decides to accept Sharon's offer. After school, Andrew rushes home (with the recipe tucked into his shoe for safekeeping). He carefully begins to mix the strange combination of ingredients -- and immediately runs into some unforeseen problems. How Andrew finally manages to achieve a temporary set of freckles -- and then isn't sure he really wants them -- makes a warm and hilarious story.

A Summer to Die Lois Lowry, 2014-12-18 Having a sister who is blonde and pretty and popular can be tricky if you're like Meg - serious, hardworking, and, well, plain.

The Map of Salt and Stars Zeyn Joukhadar, 2019-03-12 This powerful and lyrical debut novel is to Syria what *The Kite Runner* was to Afghanistan; the story of two girls living eight hundred years apart—a modern-day Syrian refugee seeking safety and an adventurous mapmaker's apprentice—“perfectly aligns with the cultural moment” (The Providence Journal) and “shows how interconnected two supposedly opposing worlds can be” (The New York Times Book Review). This “beguiling”

(Seattle Times) and stunning novel begins in the summer of 2011. Nour has just lost her father to cancer, and her mother moves Nour and her sisters from New York City back to Syria to be closer to their family. In order to keep her father's spirit alive as she adjusts to her new home, Nour tells herself their favorite story—the tale of Rawiya, a twelfth-century girl who disguised herself as a boy in order to apprentice herself to a famous mapmaker. But the Syria Nour's parents knew is changing, and it isn't long before the war reaches their quiet Homs neighborhood. When a shell destroys Nour's house and almost takes her life, she and her family are forced to choose: stay and risk more violence or flee across seven countries of the Middle East and North Africa in search of safety—along the very route Rawiya and her mapmaker took eight hundred years before in their quest to chart the world. As Nour's family decides to take the risk, their journey becomes more and more dangerous, until they face a choice that could mean the family will be separated forever. Following alternating timelines and a pair of unforgettable heroines coming of age in perilous times, *The Map of Salt and Stars* is the “magical and heart-wrenching” (Christian Science Monitor) story of one girl telling herself the legend of another and learning that, if you listen to your own voice, some things can never be lost.

Crow Call Lois Lowry, 2009 Nine-year-old Liz accompanies the stranger who is her father, just returned from the war, when he goes hunting for crows in Pennsylvania farmland.

On the Horizon Lois Lowry, 2022-08 From two-time Newbery medalist and living legend Lois Lowry comes a moving account of the lives lost in two of WWII's most infamous events: Pearl Harbor and Hiroshima. With evocative black-and-white illustrations by SCBWI Golden Kite Award winner Kenard Pak. Lois Lowry looks back at history through a personal lens as she draws from her own memories as a child in Hawaii and Japan, as well as from historical research, in this stunning work in verse for young readers. *On the Horizon* tells the story of people whose lives were lost or forever altered by the twin tragedies of Pearl Harbor and Hiroshima. Based on the lives of soldiers at Pearl Harbor and civilians in Hiroshima, *On the Horizon* contemplates humanity and war through verse that sings with pain, truth, and the importance of bridging cultural divides. This masterful work emphasizes empathy and understanding in search of commonality and friendship, vital lessons for students as well as citizens of today's world. Kenard Pak's stunning illustrations depict real-life people, places, and events, making for an incredibly vivid return to our collective past. In turns haunting, heartbreaking, and uplifting, *On the Horizon* will remind readers of the horrors and heroism in our past, as well as offer hope for our future.

Number the Stars Scholastic, Inc. Staff, 1997-07-01 Includes an author biography, chapter summaries, vocabulary builders, reproducibles, and cross-curricular activities for students of all learning styles for Lois Lowry's novel, *Number the Stars*

The Willoughbys Lois Lowry, 2010-03-23 Now a Netflix animated film starring Will Forte, Maya Rudolph, Alessia Cara, Terry Crews, Martin Short, Jane Krakowski, Séan Cullen, and Ricky Gervais! From the Newbery Medal-winning author of *The*

Giver and Number the Stars, comes a hilarious (Booklist, starred review) and wonderfully old-fashioned story about a mother and father who are all too eager to be rid of their four children . . . and four children who are all too happy to be rid of their parents. The Willoughby's—Timothy; his twin brothers, Barnaby A and Barnaby B; and their little sister, Jane—are old-fashioned children who adore old-fashioned adventures. Unfortunately, the Willoughby parents are not very fond of their children, and the truth is that the siblings are not too keen on their parents either. Little do the Willoughby kids know that their neglectful mother and father are hatching an evil plan to get rid of them! Not to worry—these resourceful adventurers have a few plans of their own. But they have no idea what lies ahead in their quest to rid themselves of their ghastly parents and live happily ever after.

Lisa's War Carol Matas,2007-08-27 Carol Matas shares a “powerful account” of two young teenagers who are willing to stop at nothing to prevent the danger the German invasion of 1940 brought to Denmark (Publishers Weekly). The Nazis have invaded Denmark, putting Lisa and her family’s safety in danger. But they refuse to parish without a fight, leading Lisa and a group of teenage Jews to an underground resistance movement. As the Nazi’s plan to send anyone of Jewish faith to concentration camps, Lisa realizes that the war her people are fighting is a lonely and deadly one. Desperately wanting to prevent the harm and danger to come, Lisa and her brother, Stefan, fight desperately to prove that even just one person can make a difference.

Find a Stranger, Say Goodbye Lois Lowry,2018 Seemingly a girl who has everything, Natalie, at seventeen, goes in pursuit of her real mother.

Summary full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Number The Stars Summary eBooks, including some popular titles.

FAQs About Number The Stars Summary Books

What is a Number The Stars Summary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Number The Stars Summary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Number The Stars Summary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Number The Stars Summary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online

converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Number The Stars Summary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
