

# Soviet Politics 1917 1991

## Aron Katsenelinboigen

*Soviet Politics 1917-1991* Mary McAuley, 1992 Based on first-hand knowledge of the Soviet system since the Khrushchev period, and research into both Soviet history and contemporary politics, this book provides a stimulating analysis of the developments which brought an end to Communist Party rule and the breakup of the USSR.

Soviet Foreign Policy 1917-1991 Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union. Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system. The volume is designed for courses in Soviet political history, diplomatic history, comparative foreign policy, and the mainstream of international relations.

**The Soviet Union 1917-1991** Martin McCauley, 2014-02-04 A second edition of this famous survey has been eagerly awaited. When the first edition appeared Brezhnev was still in power, Gorbachev did not make it to the index, and the USSR was a superpower. Today the Soviet experiment is over and the USSR no longer exists. How? Why? Martin McCauley has reworked and greatly expanded his book to answer these questions, and to provide a complete account of the Soviet years. Essential reading to an appreciation of recent history -- and to a better understanding of whatever happens next.

**Symbols and Legitimacy in Soviet Politics** Graeme Gill, 2011-03-24 Symbols and Legitimacy in Soviet Politics analyses the way in which Soviet symbolism and ritual changed from the regime's birth in 1917 to its fall in 1991. Graeme Gill focuses on the symbolism in party policy and leaders' speeches, artwork and political posters, and urban redevelopment, and on ritual in the political system. He shows how this symbolism and ritual were worked into a dominant metanarrative which underpinned Soviet political development. Gill also shows how, in each of these spheres, the images changed both over the life of the regime and during particular stages: the Leninist era metanarrative differed from that of the Stalin period, which differed from that of the Khrushchev and Brezhnev periods, which was, in turn, changed significantly under Gorbachev. In charting this development, the book lays bare the dynamics of the Soviet regime and a major reason for its fall.

A Short History of Sino-Soviet Relations, 1917-1991 Zhihua Shen, 2019-10-31 Drawing on the rich trove of recently declassified Russian and Chinese archival materials, this history of Sino-Soviet relations in the 20th century sheds new light on key events during this period. It offers fresh insights into the role of ideology and national interests in the evolution of the

complex and turbulent relationship between not just the two countries but also their respective Communist Parties. The chapters on the normalization of bilateral ties provide an in-depth analysis of divisions in the socialist camp that culminated in both its collapse and the disintegration of the Soviet Union. The book argues that 20th century Sino-Soviet relations reflected both long-standing and emerging political and geopolitical challenges facing members of the Cold War socialist camp, in particular tensions between the ideal of internationalism and national aspirations, between commitment to the principle of sovereignty and commitment to that of equality in international relations, and between inter-party relations and inter-state relations. This makes for a valuable addition to the reading lists of all those interested in the development of the relationship between two of the world's most important countries.

*Soviet Politics* Richard Sakwa, 2012-11-12 *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics: an introduction*. Thoroughly revised and updated it builds on the previous editions' comprehensive and accessible exploration of the Soviet system, from its rise in 1919 to its collapse in 1991. The book is divided into five parts, which focus on key aspects of Soviet politics. They are: \* historical perspectives, beginning with the Tsarist regime on the eve of Revolution, the rise and development of Stalinism, through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system \* institutions of Government, such as the Communist Party, security apparatus, the military, the justice system, local government and participation \* theoretical approaches to Soviet politics, including class and gender politics, the role of ideology and the shift from dissent to pluralism \* key policy areas: the command economy and reform; nationality politics; and foreign and defence policy \* an evaluation of Soviet rule, and reasons for its collapse. Providing key texts and bibliographies, this book offers the complete history and politics of the Soviet period in a single volume. It will be indispensable to students of Soviet and post-Soviet politics as well as the interested general reader.

**The Rise and Fall of the Soviet Union** Martin McCauley, 2014-01-14 'An expert in probing mafia-type relationships in present-day Russia, Martin McCauley here offers a vigorously written scrutiny of Soviet politics and society since the days of Lenin and Stalin.' John Keep, Professor Emeritus, University of Toronto. The birth of the Soviet Union surprised many; its demise amazed the whole world. How did imperial Russia give way to the Soviet Union in 1917, and why did the USSR collapse so quickly in 1991? Marxism promised paradise on earth, but the Communist Party never had true power, instead allowing Lenin and Stalin to become dictators who ruled in its name. The failure of the planned economy to live up to expectations led to a boom in the unplanned economy, in particular the black market. In turn, this led to the growth of organised crime and corruption within the government. *The Rise and Fall of the Soviet Union* examines the strengths, weaknesses, and contradictions of the first Marxist state, and reassesses the role of power, authority and legitimacy in Soviet politics. Including first-person accounts, anecdotes, illustrations and diagrams to illustrate key concepts, McCauley provides

a seminal history of twentieth-century Russia.

**The Politics of the Soviet Cinema 1917-1929** Richard Taylor, 1979-07-12 The book provides an illuminating background of the political history of the Soviet cinema in the twenties.

**Soviet Chess 1917-1991** Andrew Soltis, 2016-04-07 This large and magnificent work of art is both an interpretive history of Soviet chess from the Bolshevik Revolution to the collapse of the U.S.S.R. in 1991 and a record of the most interesting games played. The text traces the phenomenal growth of chess from the Revolutionary days to the devastations of World War II, and then from the Golden Age of Soviet-dominated chess in the 1950s to the challenge of Bobby Fischer and the quest to find his Soviet match. Included are 249 games, each with a diagram; most are annotated and many have never before been published outside the Soviet Union. The text is augmented by photographs and includes 63 tournament and match scoretables. Also included are a bibliography, an appendix of records achieved in Soviet national championships, two indexes of openings, and an index of players and opponents.

Soviet Foreign Policy, 1917-1991 Gabriel Gorodetsky, 2014-01-14 A comprehensive assessment of Soviet relations with the West, set in the context of the emergence of a new Russia. This volume analyzes the formulation of foreign policy during the period from the first decade of the Bolshevik Revolution, through the gradual erosion of ideological differences.

Black Earth, Red Star R. Craig Nation, 1992 Although it once issued a radical challenge that shook the existing world order, the USSR was soon thrown back to seek security within its own confines. Black Earth, Red Star vividly chronicles the Soviet experience from Lenin's 1917 revolution to the disintegration of the union in December 1991. R. Craig Nation provides the first post-Cold War history of the Soviets' seventy-four-year struggle to maintain an effective national security policy in a hostile world without altogether abandoning the commitment to their original internationalist ideals. Drawing on an unprecedented body of primary and secondary sources, Nation presents a nuanced overview of Soviet history from the triumph of the Bolshevik revolution to the emergence of Stalin, the shattering victory over Hitler, Khrushchev's frustrated efforts at reform during the Cold War, the degeneration of Soviet power under Brezhnev, and the convulsive changes since 1985. Shaped by a dynamic conflict between often contradictory aims - the promotion of Communist internationalism and the defense of national self-interest - Soviet security policy was far from static, he shows. Nation reconstructs the military, political, and economic strategies behind the succession of security policies with which the Kremlin responded to the rapid changes in the international environment and in Soviet society itself. While the red star that shines above the Kremlin no longer symbolizes a commitment to world revolution, the rich black earth of the Slavic east remains of lasting importance in international affairs. This book will be essential reading for anyone concerned with the future of the former Soviet republics, including historians of the USSR and political scientists working in international relations and security studies.

**The Soviet Union** Aron Katsenelinboigen, 2017-09-08 First Published in 2017. Routledge is an imprint of Taylor &

Francis, an Informa company.

**All Shook Up** Nigel Raab, 2017-04-01 Earthquakes, nuclear accidents, and floods were among the many unexpected tragedies that struck the Soviet Union over its history. Requiring the immediate mobilization of vast resources and aid, and embedded within a specific context and time, these catastrophes provide critical insights into the nature of the twentieth-century Communist state. *All Shook Up* takes a close look at the representation in film, the political repercussions, and the social opportunities of large-scale catastrophes in separate Soviet epochs, including the 1927 earthquake in the Crimean peninsula, the 1948 earthquake in Ashgabat, the Tashkent earthquake in 1966, the Chernobyl explosion in 1986, and the Armenian earthquake in 1988. Juxtaposing various disaster responses and demonstrating the ways both Soviet authorities and citizens molded them to their own cultural needs, Nigel Raab highlights the radical shifts in disaster policy from one leader to the next. Given the opportunity to act outside regular parameters, Soviet residents not only rebuilt their devastated cities, but also experimented with new values and crafted their own worldview while the state struggled to return the situation to normal. Based on archival research conducted in Russia and Ukraine, *All Shook Up* fills a gap in a global literature and challenges stereotypical representations of the Soviet Union as a monolithic state.

**Soviet Strategic Thought, 1917-91** Andrei A. Kokoshin, 1998-01-15 During the Cold War, Westerners were obsessed with the military policies of the Soviet Union. Until the demise of the Soviet Union, however, few details of Moscow's thinking on military matters were available. In this book, Andrei Kokoshin reveals how Soviet military theorists developed and debated the concepts that provided the basis for the Kremlin's defense policies. Drawing on Soviet-era archives and unpublished materials, he sheds light on this important chapter in the history of Russia and the world. The book covers three main themes: the relationship between politics and military strategy in the Soviet Union; how the Soviet political and military leadership assessed threats to Soviet security, the nature of future wars, and methods of warfare; and the relationship between offense and defense in Soviet military strategy. Kokoshin places the strategic concepts behind Moscow's military policies in the context of internal and international struggles for power, and assesses the future role of military power in Russia's national security strategy.

**Time and Revolution** Stephen E. Hanson, 2000-11-09 Stephen Hanson traces the influence of the Marxist conception of time in Soviet politics from Lenin to Gorbachev. He argues that the history of Marxism and Leninism reveals an unsuccessful revolutionary effort to reorder the human relationship with time and that this reorganization had a direct impact on the design of the central political, socioeconomic, and cultural institutions of the Soviet Union from 1917 to 1991. According to Hanson, westerners tend to envision time as both rational and inexorable. In a system in which 'time is money,' the clock dominates workers. Marx, however, believed that communist workers would be freed of the artificial distinction between leisure time and work time. As a result, they would be able to surpass capitalist production levels and ultimately control time

itself. Hanson reveals the distinctive imprint of this philosophy on the formation and development of Soviet institutions, arguing that the breakdown of Gorbachev's perestroika and the resulting collapse of the Soviet Union demonstrate the failure of the idea.

**Censorship in Soviet Literature, 1917-1991** Herman Ermolaev, 1997 This study of Soviet censorship during its whole existence emphasizes textual changes made in literary works by official censorship and editorial boards. Covering the works of 80 writers, it groups censorial corrections to show the aims of censorship and its evolution in Communist Party policy.

**The Soviet Tragedy** Martin Edward Malia, 1994 Details the evolution of Sovietism over seventy-four years from its origins to its end in 1991.

Soviet Mass Festivals, 1917-1991 Malte Rolf, 2013 Originally published in German, Malte Rolf's highly acclaimed work examines the creation and perpetuation of large-scale celebrations such as May Day, the anniversary of the October Revolution, Harvest Day, and others throughout the Soviet era. He chronicles the overt political agendas, public displays of power, forced participation, and widespread use of these events in the Soviet drive to eradicate existing cultural norms and replace them with new icons of Soviet ideology. Rolf shows how the new Red Calendar became an essential tool in redefining celebrations in the Soviet Union.

The Global Revolution Silvio Pons, 2014-08-28 The Global Revolution. A History of International Communism 1917-1991 establishes a relationship between the history of communism and the main processes of globalization in the past century. Drawing on a wealth of archival sources, Silvio Pons analyses the multifaceted and contradictory relationship between the Soviet Union and the international communist movement, to show how communism played a major part in the formation of our modern world. The volume presents the argument that during the age of wars from 1914 to 1945, the establishment of the Soviet state in Russia and the birth of the communist movement had an enormous impact because of their promise of world revolution and international civil war. Such perspective appeared even more plausible in the aftermath of the Second World War and of revolution in China, which paved the way for the expansion of communism in the post-colonial world. Communism challenged the West in the Cold War - by means of anti-capitalist modernization and anti-imperialist mobilization - showing itself to be a powerful factor in the politicization of global trends. However, the international legitimacy of communism declined rapidly in the post-war era. Soviet power exposed its inability to exercise hegemony, as distinct from domination. The consequences of Sovietization in Europe and the break between the Soviet Union and China were the primary reasons for the decline of communist influence and appeal. Since communism lost its political credibility and cultural cohesion, its global project had failed. The ground was prepared for the devastating impact of Western globalization on communist regimes in Europe and the Soviet Union.

**Politics In Russia: A Reader** Joel M. Ostrow, 2013 A comprehensive reader composed of landmark selections, guided by

the insight that to understand contemporary Russia, students need to know that there are strongly competing interpretations of Russian politics, both past and present.

**Soviet Politics 1917 1991 Introduction**

In today's digital age, the availability of Soviet Politics 1917 1991 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Politics

1917 1991 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Politics 1917 1991 books and manuals for download is the cost-saving aspect.

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Politics 1917 1991 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Politics 1917 1991 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Politics 1917 1991 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit

organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Politics 1917 1991 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Politics 1917 1991 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and

manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Politics 1917 1991 books and manuals for download and embark on your journey of knowledge?

## FAQs About Soviet Politics 1917 1991 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soviet Politics 1917 1991 is one of the best book

in our library for free trial. We provide copy of Soviet Politics 1917 1991 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soviet Politics 1917 1991. Where to download Soviet Politics 1917 1991 online for free? Are you looking for Soviet Politics 1917 1991 PDF? This is definitely going to save you time and cash in something you should think about.
