Life-Changing Prayer Bible Study Guide Jim Cymbala, 2018-01-30 Discover how prayer can completely transform your life and put you in the presence of God's throne of grace. Hebrews 4:16 says you can always approach God's throne of grace with confidence, knowing that you will receive mercy and find grace to help you in your time of need. That promise is so immense it's difficult for us to understand. In this six-session video-based Bible study (DVD/digital video sold separately), Pastor Jim Cymbala explores how God promises in his Word to always hear you, answer you, and extend his mercy when you come to him. As you pray with faith, he will provide his perfect peace and meet all your needs according to the riches of his glory (Philippians 4:19). You will find that approaching God's throne of grace will change your life and circumstances like nothing else--and that when you and other believers call on his name, powerful things happen in the world! Featuring teachings by Jim Cymbala and interviews with ordinary people who received extraordinary answers to their prayers, this study includes video teaching notes, Bible exploration questions, and personal study and reflection materials for in-between group sessions. Sessions include: The Throne of Grace Receiving Mercy Perfect Peace from God Praying with Faith God Brings the Answer The Church that Prays Together Designed for use with the Life-Changing Prayer Video Study (sold separately).

The Pursuit of God A.W. Tozer, 2017-02-16 In this hour of all-but-universal darkness, one cheering gleam appears: within the fold of conservative Christianity there are to be found increasing numbers of persons whose religious lives are marked by a growing hunger after God Himself. They are eager for spiritual realities and will not be put off with words, nor will they be content with correct "interpretations" of truth. They are athirst for God and they will not be satisfied till they have drunk

deep at the Fountain of Living Water... This book is a modest attempt to aid God's hungry children so to find Him. Nothing here is new except in the sense that it is a discovery which my own heart has made of spiritual realities most delightful and wonderful to me. Others before me have gone much farther into these holy mysteries than I have done, but if my fire is not large it is yet real, and there may be those who can light their candle at its flame. -A.W. Tozer

Successful Home Cell Groups David Yonggi Cho,2010-04-20 Home cell groups are becoming a necessity in the believer's life, not only for the mega-churches but also for the small corner churches, as well. This book is a how-to resource that details everything you need to know in order to make home cell groups work in your church. The plans developed here are designed to bring intimate fellowship and involvement in the Christian's life, to effectively show Christians how to evangelize their neighborhood and community, and to share their spiritual gifts with one another. Home cell groups, therefore, give church members the opportunity to participate in the ministry of their church. Dr. Cho promises that, "By following the guidelines I have presented here, you can bring the miracles of home cell groups and church growth to your own congregation." So how does a church of more than 800,000 believers grow and work? Small groups, one household at a time. Cho is careful to share both his mistakes as well as his successes. One of the prime ingredients for a successful home group program is evangelism. He insists that the cell groups focus on the neighborhoods and communities to reach the lost. Leadership, training, discipline, recognition, focus, and personal involvement by the senior pastor are other critical elements. There is a careful balance which needs to be struck between control and freedom for each group to strengthen and grow. Great wisdom is shown in relying on the Holy Spirit to strike the right balance. As a senior partner in ministry, The Holy Spirit has grown the body of Christ in a miraculous way. Recorded in this book are lessons for us all, laymen and clergy, large church and small.

Lewis, yields previously untold stories and interdisciplinary analysis of pioneer foundations, denominational growth, leadership training, contextualisation, and community development across East Asia, Southeast Asia, and Oceania. Some communities prospered despite hostile environments and wartime devastation. This volume provides a systematic study of the geographical contexts of Asia Pacific Pentecostalism, including historical development, theological influences, and sociological perspectives. The Daniel Fast for Spiritual Breakthrough Elmer L. Towns, 2010-02-12 Elmer Towns's Fasting for Spiritual Breakthrough has become must-reading as this powerful spiritual discipline of fasting has seen a revival among followers of Christ. Now Towns digs deeper into one of the most popular forms of fasting today, the Daniel Fast. With an emphasis on a healthy, simple diet, the Daniel Fast is named after the prophet Daniel who participated in a partial fast for spiritual purposes. Daniel was taken captive into Babylon when he was sixteen years old. The Babylonian king wanted the young prophet to help him administer his rule over the captive Jews--and he wanted to Babylon-ize Daniel, to make the young man of God more like him.

The first step the king took in his campaign was to provide a sumptuous feast to tempt Daniel--food fit for a king-- basically fattening comfort foods. In response, the prophet refrained from the king's table, choosing instead to eat only vegetables and to drink only water. He honored God over the king. Dr. Elmer Towns introduces readers to the spiritual, physical, and mental basics of the Daniel Fast, coaching them through either a ten-day or twenty-one-day period of renewal, and he includes original Daniel Fast recipes created by executive chef John P. Perkins. Dr. Towns addresses practical questions, such as what to eat and when, as well as how to pray effectively. Readers will learn how to encounter God during their fast, how to worship through self-discipline, and how to pray for specific answers. They will also explore the role of weeping, repentance, and spiritual warfare in their life of faith. Daniel is a model to God's people of someone who chooses spiritual nourishment over bodily satisfaction, in *The Daniel Fast for Spiritual Breakthrough*, God's people can learn to follow his example.

Houses that Change the World Wolfgang Simson,2001 Millions of Christians around the world are becoming aware of an imminent reformation of global proportions within the church. God is changing this revered institution and is making a new collective awareness of an age-old revelation, a corporate spiritual echo that reflects God's desire for the church. In this book, Simson brings to light what God is saying to Christians everywhere. Researched across the globe, he presents the case for the reformation of the church's existence. In a world where the church is being ignored, it is time to bring the church to the people and not the people to the church. Whether it is what we know as church from the last five years or the last five hundred years, no one has truly been able to break free from the structures of the past. Many may see this book as radical, many may see it as a reforming of old ideals but all who read it will be challenged and their priorities refocused in a life-changing way.

Unlocking the Third Reformation Sarel van der Merwe,2022-03-27 Where are you in your spiritual development as a child of God? Are you out of Egypt, the land of slavery, or in the wilderness, living from bare necessities? Or are you entering the promised land: abundant life in Christ Jesus and a land overflowing with milk and honey? Sarel van der Merwe, a dynamic teacher of God's truths, reveals insights that will help you move closer to God the Father as a radical Jesus disciple. Learn how to: cultivate an intimate relationship with- and be filled with the fullness of the Holy Spirit; pray effectively with authority and power as a son or daughter of Almighty God; experience the true value and meaning of a journey to maturity with God. The author uses the image and allegory of the three-room tabernacle of Moses, the temple of God, and the earthly manifestation of the presence of God, to explain the unique New Testament three-fold process of personal and church life reformation into Christ. The tabernacle model can be used as the basis for your three-fold Reformation journey that will help you become mature in Christ.

Knowable Word Peter Krol,2014-05-01 Observe...Interpet...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy

that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2. Mature Christians who want to improve their Bible study skills 3. Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.

Pastoral Leadership Is... Dave Earley, 2012 Dozens of brief yet powerful entries for pastors about what it really means to be on-mission, spiritual warriors who lead the local church from a biblical point of view instead of a modern traditional one.

Intercultural Discipleship (Encountering Mission) W. Jay Moon, 2017-12-05 This addition to an acclaimed series brings cutting-edge research to bear on a topic of perennial interest: making disciples. The book looks at disciple-making from multiple cultures to help readers discover contextual approaches that are culturally relevant and biblically faithful. It emphasizes methods that are especially effective with contemporary converts and includes practical examples from around the world. Each chapter includes sidebars, discussion questions, an activity for discipling, and a case study. An appendix contains further suggestions and exercises for instructors.

What the Faith is All about Elmer L. Towns, 1983

The Purposes That Drive Our Lives Are God Given Edwin P. Nhliziyo Sr., 2014-04 This book makes the argument that humankind was placed here on earth to multiply, fill the world and take dominion over all of God's other creations. A purpose driven life will necessarily align with these purposes. A purpose driven life is one that is fulfilling God's purposes. How well we do this is the primary reason why some people have become very successful while others have failed. Our spiritual side reflects our God connections and for the Christian it begins when one is born again. While our purposes and the things that drive us may need adjustment after we are born again, they do not change significantly. They all have one common denominator and that is fulfilling our responsibilities as parents and doing that in obedience to God. With this in mind, it

should not be difficult to answer the question what on earth am I doing here? What drives our lives? It is the need to provide for our children, for adulthood comes with the obligation to find a life partner and begin multiplying and this is universal.
