It Doesn't Have to Be That Way Laura A. Wasser, 2013-10-01 Maria Shriver, Kim Kardashian, Stevie Wonder, Britney Spears . . . Who do they have in common? Top LA divorce lawyer Laura Wasser. If anyone ever had a platform to write a how to divorce book for today's generation, it's Laura Wasser. She has been practicing in her field for nearly twenty years, represented many of the country's top celebrities and has been celebrated for her unique style, her empathy and her expertise. Wasser's personal and professional life have been profiled by publications like the Los Angeles Times, Vogue and Interview. Most important, her approach and advice are different from almost any others and she articulates them in a simple manner. Laura Wasser addresses an entire generation who want—and need—to handle their breakups differently. It's no secret that the divorce rate in America is more than half the marriage rate. Yet the means for dissolving a relationship often seem hopelessly mired in an outdated perception of how it's supposed to be done. Wasser acknowledges that this generation's realities have evolved greatly since the previous generation's in almost every way, and that they want to get divorced cheaply and efficiently and maintain control of the process themselves. The daughter and partner of a prominent Los Angeles Family Law attorney, she has a deep history in the field, and she knows the available roads to uncontested resolution like nobody else. At times psychologist, at times strategist, and distinctly of this generation, Laura and her book will offer readers safer passage through what can be a devastating time, emotionally and financially.

**Saving Grace** A.D. Justice, I wanted to ask for a divorce. Instead of the fight I expected, she agreed—with a few stipulations, all of which revolved around our son leaving for college in the fall. Keeping those promises would be a challenge, no doubt. But all I had to do was uphold my end of the deal then walk away without a backward glance. Somewhere along the way, our charade became my reality. With each day that passes, I realize time is once again my enemy. I can't lose her a second time. I'll never walk away—she healed my soul. Saving Grace is now my only hope.

**Befriending Your Ex after Divorce** Judith Ruskay Rabinor, 2013-01-02 If you are divorced, or are contemplating divorce, you've probably heard the diatribe: Divorce is messy. Divorce is a tragedy. Divorce will scar your children for life. *Befriending Your Ex* challenges many of these destructive myths about divorce, and sets out to change the way we think about the process of divorce and its ultimate outcome. While divorce certainly can have negative effects upon children, when they occur, these effects are likely to result from a hostile and combative relationship between ex-spouses. This uplifting book reminds the reader that all divorces need not follow this unhappy script, and that ex-spouses can collaboratively co-parent and be a source of support, not only to their children, but to one another as well. Author Judy Rabinor's ability to write as both a divorcee and a psychologist gives her a unique perspective on the subject, and in the book she artfully and thoughtfully combines research, clinical practice, and the everyday reality faced by a divorced parent. As a guide for parents, this book is filled with practical exercises, suggestions and strategies for coping with anger, grief, and loss, as well as the

myriad of day to day issues involved in co-parenting after divorce. Story after story—including Judy’s own story—reminds the reader that once the emotional tsunami of divorce settles back down, exes can be connected and supportive to one another as they share a major joy: loving and raising children and grandchildren, enjoying the family they have created, and creating a new family unit to evolve in the wake of divorce.

**Wedding Toasts I'll Never Give** Ada Calhoun,2017-05-16 Seven essays celebrating the beauty of the imperfect marriage. We hear plenty about whether or not to get married, but much less about what it takes to stay married. Clichés around marriage—eternal bliss, domestic harmony, soul mates—leave out the real stuff. After marriage you may still want to sleep with other people. Sometimes your partner will bore the hell out of you. And when stuck paying for your spouse’s mistakes, you might miss being single. In *Wedding Toasts I’ll Never Give*, Ada Calhoun presents an unflinching but also loving portrait of her own marriage, opening a long-overdue conversation about the institution as it truly is: not the happy ending of a love story or a relic doomed by high divorce rates, but the beginning of a challenging new chapter of which “the first twenty years are the hardest.” Calhoun’s funny, poignant personal essays explore the bedrooms of modern coupledness for a nuanced discussion of infidelity, existential anxiety, and the many other obstacles to staying together. Both realistic and openhearted, *Wedding Toasts I’ll Never Give* offers a refreshing new way to think about marriage as a brave, tough, creative

decision to stay with another person for the rest of your life. "What a burden," Calhoun calls marriage, "and what a gift."

**Moms Don't Have Time To** Zibby Owens, 2021-02-16 JOIN AWARD-WINNING PODCASTER ZIBBY OWENS OF MOMS DON'T HAVE TIME TO READ BOOKS ON A JOURNEY FILLED WITH FOOD, EXERCISE, SEX, BOOKS, AND MORE. It's impossible to ignore how life has changed since COVID-19 spread across the world. People from all over quarantined and did their best to keep on going during the pandemic. Zibby Owens, host of the award-winning podcast *Moms Don't Have Time to Read Books* and a mother of four herself, wanted to do something to help people carry on and to give them something to focus on other than the horrors of their news feeds. So she launched an online magazine called *We Found Time*. Authors who had been on her podcast wrote original, brilliant essays for busy readers. Zibby organized these profound pieces into themes inspired by five things moms don't have time to do: eat, read, work out, breathe, and have sex. Now compiled as an anthology named *Moms Don't Have Time To*, these beautiful, original essays by dozens of bestselling and acclaimed authors speak to the ever-increasing demands on our time, especially during the quarantine, in a unique, literary way. Actress Evangeline Lilly writes about the importance and impact of film. Bestselling author Rene Denfeld focuses on her relationship with food after

growing up homeless. Screenwriter and author Lea Carpenter and Suzanne Falter, author, speaker, and podcast host, focus on loss. New York Times bestselling authors Chris Bohjalian and Gretchen Rubin write about the importance of reading. Others write about working out, love and sex, eating and cooking, and more. Join Zibby on her journey through the winding road of quarantine and perhaps you, too, will find time.

**A Better Way of Dealing with Divorce** Diana Jordan LLB, 2017-07-11 The traditional way of divorcing is both divisive and expensive, and the conflict generated by it is damaging to children. This book is for parents who want to avoid these aspects of a divorce; it shows them how to have an amicable divorce and protect their children from the worst of the harm that separation can cause. It offers guidance for parents wanting to explain what's happening to their children, as well as how to communicate and co-parent better with their ex-partner. An overview of how the whole divorce process works is set out in an easy-to-understand format and language. A break-up can be overwhelming so there is guidance on planning a divorce, and where to start. The book empowers people to take control of their own futures rather than being swept along by our adversarial legal system which often leads couples to bitter and costly court battles that they neither wanted nor needed. For those wanting to save thousands of pounds in legal fees, the parts of their divorce which are easy to do themselves are set out together with clarification on when they really do need a lawyer. The book is also a guide to the emotional journey, and it dispels some common myths about separation and divorce. Although the emphasis is on amicable divorces, the book does include a chapter on how to tackle less friendly scenarios such as narcissistic personality disorder, coercive control, parental alienation and breaching contact orders. Suggestions are offered for the different approach required in such circumstances

Gabrielle Hartley and Elena Brower are warm and caring guides who can help you compassionately part from your partner. Blending practical advice from a legal perspective together with spiritual wisdom, Gabrielle and Elena are experts and realists who have created a simple five-step process that uses original meditations, perspective-shifting exercises, and fresh suggestions to help navigate the common legal and emotional pitfalls of divorce. Don't worry if you've never tried yoga or mediation; Gabrielle's insight buttressed by Elena's practices and exercises are accessible for all. Together, they show you how to meaningfully shift your mindset and to
